A Note from Our Board President

Dear Parkway Alumni,

I hope this message finds you well!

I wanted to take a moment to encourage you to not only register for **Trivia Night 2025** but also to consider becoming a sponsor for the event. Whether you're part of a large corporation or a small business, this is the perfect opportunity to showcase your success as a Parkway graduate and see your name in lights through the benefits our sponsors receive. Your support helps

fund amazing programs like **Granting Dreams** and teacher recognition that directly benefit our students and staff.

As we look ahead to this spring, I'm excited to share that our alumni community continues to thrive with over 80,000 graduates. Maybe you're still in touch with a few classmates? We'd love for you to invite them to check out our social media for updates on upcoming events and opportunities to get involved. We're working on new ways to connect local alumni in St. Louis with those from around the world, while strengthening the support we provide to our students, parents, and staff.

Lastly, I encourage you to reconnect with your alma mater in 2025, whether it's attending your class reunion, joining us for the homecoming football game, or simply making a tax-deductible donation to support the many programs PAA offers. Whatever way you choose, this is a GREAT year to get involved.

Thank you for your continued support of Parkway!

With gratitude,

Kennedy Graf

Following graduation, Koh plans to parlay a degree in classical violin performance and a minor in classical piano performance into a career as a professional musician across all genres. Fellow Parkway senior Jack Mullen of West High joined Koh as one of 14 finalists in the competition, representing the best of the best in the St. Louis high school performing arts community.
