These lists of outside agencies, community providers, and agencies are provided as a courtesy to the Parkway community. The lists include potential resources available in the area, but should not be presumed to be an exhaustive list as there may be other agencies and providers of these services not listed here. The Parkway School District and its employees do not endorse, recommend, or sanction any of the providers/agencies on these lists, nor assume financial or other liability for services rendered. When seeking service providers, people should independently investigate the details and merits before making a commitment. Your child's pediatrician and/or other health/mental health care providers may be able to provide referrals based on your child's needs.
