

Bolt's Tips for Distance Learning

Stay Focused

Pay attention. Limit distractions. Headphones can help you stay focused.

Create a Learning Space

Get all the things you need to learn in one place.

Listen

Listen to the teacher and follow directions.

Participate and Be Patient

Share your thinking and ask questions. Wait your turn.

Make Good Choices

Be respectful, responsible, safe, and kind when learning on the computer.

Be On Time

Timers can help you keep track of time.
