

HENRY ELEMENTARY PTO NEEDS YOU!

- Henry Elementary PTO spent \$22,452.79 for the 2023-2024 school year on the categories detailed in the chart below.

- We spent below the projected budget in multiple categories due to several factors.
- There are two large budget items that were approved in the 2023-2024 school year, but the projects are still pending approval (anticipated to cost ~\$7,500).

The goals of the Henry Elementary PTO are:

- Support students, teachers, and staff by providing funding for their needs
- Plan, host, and fund events to encourage community building, community give backs, and education outside the classroom
- Teacher and staff appreciation
- Provide volunteers to support school and PTO hosted events
- Fundraise to continue providing and supporting the students, teachers, and staff at Henry Elementary

Henry Elementary PTO “WE NEED YOU” Campaign

- As a public school, the funds received are limited and do not cover the support programs provided.
- The Henry Elementary PTO is running the “WE NEED YOU” campaign as a fundraiser to receive the funding needed to support our students, teachers, and staff.
- The “WE NEED YOU” campaign is intended to be a simple and straight-forward fundraiser that helps the us keep ALL proceeds AND avoids door-to-door sales of foods and goods. You can share this campaign with grandparents and other family/friends who want to support your student and their school.
- “WE NEED YOU” to help us meet our goal of **raising \$10,000** to continue our programs and supporting our students, teachers, and staff.

This **\$10,000** will go towards the support of the following programs:

- Reader in Me
- Family Reading Project
- Classroom Parties
- STEAM Night and Multicultural Night
- School Assemblies
- Teacher and Staff Appreciation
- Teacher and Staff Grants
- Recess Equipment
- School Beautification
