Summer 2021
Digital Learning PD
Self-paced Online Courses

Teaching Online: Foundations for Virtual Learning (3 hours- .25 credit)**
Engage with fundamental frameworks and concepts that will shift your instruction for online learning.

Schoology Essentials: Part 1 (6 hours- .5 credit)**
Delve into the basics of all the tools of Schoology and how to use them.

Developing Your Schoology Class: Part 2 (6 hours- .5 credit)**
Go beyond the basics of all the tools of Schoology and plan, design and develop resources for your online class.

Schoology Assessments (3 hours- .25 credit)**
Think outside the box and assess students creatively with Schoology Assessments!

Beginning to Blend (6 hours- .5 credit)**
Learn the how and why of "blended" and how blended/personalized learning is changing the face of teaching and learning.

Flipped Learning (3 hours- .25 credit)**
Explore how flipped learning turns classroom time into a more individualized experience where learners move at their own pace.

Citizenship in the Digital Age (6 hours- .5 credit)**
Think about the ways that we can teach students to be safe and responsible digital citizens and explore resources that can help to guide these conversations.

Google Certification Level 1 (12 hours- 1 salary credit)
Get certified as a Google Educator.

Google Certification Level 2 (12 hours- 1 salary credit)
Take your Google skills to the next level. You must pass Google Certification Level 1 first.

Media Literacy in Practice! (3 hours- .25 credit)
Understand the complexities of how information is created, spread, and consumed while considering how that affects teaching and learning.

**Credit for these courses can be applied to the Parkway Virtual Learning Certificate. For more information go to: bit.ly/digitalpd21-22
