# LEGACY ACADEMY...

- Encapsulates the middle school model, which includes a core teacher for each content area.
- Uses research-based methods and rigorous, district-curated, curriculum guaranteeing instruction that is aligned with the district for the grade level and grade progression.
- Within the team structure, teachers continually adjust instruction to the needs of students using a variety of methods and strategies.
- Students will be exposed to a combination of learning platforms and will take an active role in their education.
