

## **IMMUNIZATION NON-COMPLIANCE**

Dear Parkway South High Parents/Guardians,

It is a state law for students to be fully immunized to attend school.

The Missouri Immunization requirements for school year **2024-2025** can be found at <https://health.mo.gov/living/wellness/immunizations/schoolrequirements.php>

Please take your student's immunization record to a health care provider or the St. Louis County Health Department <https://clinics.stlouiscountymo.gov/locations> to obtain the necessary vaccines. ***Return the updated immunization record, with the date vaccinations were given and physician/clinic signature, to the school nurse.***

***\*\*Students without documentation of adequate immunizations will not be allowed to attend school until they have received the required vaccinations or until we have an in-progress note from their doctor/health department. Medical and religious exemptions are accepted at Parkway Schools.***

Thank you for your cooperation.

Sincerely,

Amy Laur BSN, RN, NCSN

Parkway South High School Nurse
