Dear North High Families,

Parkway North Mission Statement

The mission of Parkway North High School is to develop self-directed, creative, critical thinkers who are socially responsible people prepared for an ever-changing world.

We have less than five weeks before our all-school Day of Service, April 13. As a school community we have been engaged in conversation about this day since the beginning of the year. Our goal is to find meaningful ways for members of our school community to reach out to the larger community to provide support and services needed. This is one way to demonstrate what it means to be a socially responsible person. Students and staff have selected from a broad list of options for being involved in service projects on that day. We are looking forward to getting students and staff connected to community organizations and hope that this initial connection will lead to long-term service learning partnerships within our school community. Many of our students will be on campus as part of our Special Olympics event and many will be transported by bus to other locations to participate in projects. Lunch and water will be provided for all students, or they can bring their own lunch if they prefer. If you, as parents and guardians, would like to get involved in our all-school Day of Service, please email me and we can find a way for you to help with the logistics for the day or be part of the service learning projects in some way.

Spring break is upon us! I hope you enjoy the break from the routine and fast pace of school days. I have my reading list ready for the week! I'm looking forward to a few days of skiing in Colorado to enjoy the crisp mountain air and beauty of the snow-covered mountains.

Happy spring break!

Jenny Marquart

PROFESSIONAL DEVELOPMENT TIME

This year we will continue to have Delayed Start and Early Release days when students will have an adjusted schedule, so that our staff has an opportunity to plan and learn together.

On Delayed Start days, buses will run their routes 2 hours later than student's normal bus stop times. For Early Release days, buses will run their after school routes beginning at 1:05 pm. Athletes who need to stay at school for practice will attend a study hall supervised by a teacher's assistant.

Delayed Start Days begin @ 9:35am

April 5

Early Release Days end @ 12:55pm

April 19

PTO PARENT-TO-PARENT MEETINGS

Mark your calendar for the following Parent-to-Parent meetings, held from 7:00 to 8:00 pm at North High.

April 4

Coming Up At SSD

Below is a sampling of the *FREE* classes that are offered to parents and the community through Special School District. To register, go to www.solutionwhere.com/ssd to create an account and browse classes. All events are held at SSD Central Office, located at 12110 Clayton Road in Town & Country.

Journey to Adulthood. March 9, 6:30–8:30 pm

This workshop provides basic information and strategies to help parents begin a discussion about this important but often uncomfortable topic with their sons and daughters. Preparation for adulthood begins during childhood. This training will allow parents and those who work with kids with special needs, to work upon the foundations that they have already built or to establish new foundations to work upon.

Supports for Your Family from the St. Louis Regional Office for Developmental Disabilities. March 30, 6:30–8:30 pm

If your child has a qualifying developmental disability (such as intellectual disability, autism, cerebral palsy, traumatic brain injury, multiple disabilities, epilepsy, certain learning disabilities) learn about how your support coordinator can make sure you have access to supports such as respite care, summer programs, and state, county and not-for-profit funding for essential services for your child. Your support coordinator can help you plan for your child's future and provide support for your child's IEP meeting if needed.

Bullying Prevention – What Parents Can Do. April 11, 6:30–8:30 pm

This training contains an overview of the dynamics of bullying, including what bullying is, what the types of bullying are, who is bullied, and why children are bullied. Other topics include steps to intervene in bullying behavior, how to encourage students who witness bullying to take action, the role of the school, and laws and policies.

The College Corner
Christy Wills, College, Career & Transition Counselor

SENIORS

If you have not yet applied to a college or trade school, please stop by and see Ms. Wills in the Guidance. We have Chromebooks ready and waiting for you!

Scholarships

Once a student has applied to all of their potential schools, we advise students take a 3-step approach to scholarship applications:

- ◇ Visit the college's financial aid website to view scholarships and begin the process of filling out those applications
- ◇ Go to the [Parkway North Counseling](#) page and view the Scholarships & Financial Aid tab. We refresh it weekly with community scholarships as they come in.
- ◇ Build a profile on sites like [fastweb](#) and [scholarships.com](#). Mobile phone apps like [Scholly](#) are also helpful to students as they navigate this process.

Cost Matters

The FAFSA website has a series of [helpful videos](#) that can assist you in planning for college.

Make the Decision

As you begin to make FINAL decisions regarding where you will attend college, be sure to contact the other schools you have applied to so you can cancel your applications. This needs to be done via e-mail or phone. This allows the school to make room for other students who may be on a wait list, and opens up rooms in a residence hall. Just ***be sure*** you are not going to attend that school. ***Students are strongly urged not to choose a school before visiting it first.**

JUNIORS AND SOPHOMORES

MOACAC College Fair: Sunday, April 23 at Maryville University from 1-3pm.

Please set up an appointment with Ms. Wills to discuss post-secondary plans and life after North High.

*Tip for visiting potential colleges: When possible, try and visit campuses while classes are in session; this will help students to pick up on the campus culture.

Counseling

Spring is upon us, and with that comes spring break! Students are looking forward to a week of relaxation and restoration. In Guidance we would like you to keep a few things in mind; mainly, your safety.

Travel

- When traveling, buckle up
- Have a safety check completed on the vehicle you're traveling in
- Be sure phones are fully charged and you have adapters for your car
- Switch drivers after a certain amount of time driving

Lodging

- Choose a hotel in the center of action
- Use the room safe for your valuables

Groups

- Never go off alone or allow a friend to wander off on their own; always travel in pairs

Outdoors

- Take precaution in the sun with sunscreen SPF 20 or higher
- Stay hydrated!
- Use safety precaution when in or around water; motor operated recreation equipment
- Swim only in designated areas
- Please be sure to avoid illegal substances that could cause serious harm to you or those around you
- We are sure that you are aware of all information mentioned above; however, a reminder never hurts. If you happen to be curious about more travel safety tips, research them on the web.

Freshmen

Freshmen will take the Strengths Explorer inventory during ac lab in late March. They will answer life and learning situation scenarios such as, "I like to win arguments," with 5 answer choices. The result will indicate the student's top 3 strengths and uncover latent talents. This leads to related career pathways for the student to explore in their Naviance account. This activity is part of the Parkway Guidance curriculum for 9th grade, which is to identify personal strengths/weaknesses and compare roles, contributions and training for various occupations. Ask your student about the experience and what their top 3 strengths are. Contact Ms. Kraus (akraus1@parkwayschools.net) with any questions!

Sophomores

Ms. Brown met with sophomores for preliminary college planning. She instructed students on maximizing their summer before junior year by visiting colleges to learn college "lingo." There is a college fair at Maryville on April 23, where sophomores can meet with school reps. Students registered online with our free ACT prep program, Testive, which helps students improve in higher order thinking, processing through questions and timing on standardized tests. Students were asked to attain their pre-ACT scores to create a baseline for improvement with Testive. If you do not remember their score from last year, contact Wendi Lucchesi (wlcucchesi@parkwayschools.net) and she will send it to you. Ms. Brown also spoke with students regarding assessment results from "Do What You Are" and the Strengths Explorer to help them with post-secondary planning.

We will administer the pre-ACT for sophomores on April 19. It is an opportunity for students to be exposed to the testing requirements and environment. Scores don't count towards college entrance as it is a practice ACT. The results will help students improve their performance on the ACT moving forward. Students have access to different supplements to help improve their performance (Testive, actstudent.org, ACT Prep and Relaunch/ACT prep courses after school).

Please ask your sophomore about his/her initial thoughts on post-high school education, their pre-ACT scores from last year, Testive, and the ACT on April 19. If you have questions, feel free to contact Ms. Brown (cbrown4@parkwayschools.net).

Juniors

You are over 3/4 of the way through your high school career, so make sure you're planning for life after North. Juniors will take the ACT w/writing at school on April 19. If you're interested in free ACT prep, there are classes here at North. Please ask your counselor for more information. Contact Mr. Arthur with any questions you may have.

Seniors

As we near the end of the school year, make sure you are working with your ac lab teachers to ensure you're passing classes in order to meet graduation requirements. Your lab teachers have a list of the courses that you are enrolled in that are required for graduation. If you have any questions please schedule an appointment to see Mr. Kee in Guidance.

North High Happenings

Congrats to North High custodian **Andre Sloan**, a Light of Parkway Award recipient! This new award is given to operations staff members who help foster a positive and caring environment in their buildings. Andre is 1 of 5 award recipients who will receive district recognition and \$500 at Appreciation Evening on April 24.

Essays by seniors **Jacob Hansen** and **Davion Jones** were chosen as winners in the Missouri NEA Teachers Words Matter essay contest. Only 10 winners in the entire state were chosen, so we're thrilled to have 2 of them! Jacob and Davion will travel to Mizzou March 17 to be recognized at a ceremony and receive \$500 checks. A shout-out goes to social studies teacher Melody Barger, whom Davion wrote about. Jacob's essay lauded a teacher he had at Northeast Middle.

The FBLA, a business club sponsored by Carla Hertlein, performed well at the district leadership conference on February 3. The following students placed:

- * **Yogini Patel**—2nd place, Business Calculations (advances to state)
- * **Oluwatobi Ola**—5th place, Business Calculations (advances to state)
- * **Nick Austin, Seema Patel, Kaloeb Salter**—2nd place, Social Media Campaign
- * **Nick Graham**—2nd place, Spreadsheet Applications (advances to state)

Parkway North has been nominated as a 2017 U.S. Education Department Green Ribbon School! This program recognizes schools which actively and creatively seek ways to reduce environmental impacts and costs; improve the health and wellness of students and staff; and provide effective environmental and sustainability education.

This is a prestigious recognition that is a testament to the hard work being done at North to create a more sustainable future for our world. Honorees will be announced to the public on Earth Day, April 22.

Alcohol Free Party Pledge Program

Please join with other parents in making a pledge to promote safe and healthy alternatives for weekend activities.

The PTO would like to invite you to pledge that you will not knowingly allow students to gather at your house and use alcohol or drugs. By making this pledge you are reinforcing with other parents that you support each other in promoting a healthy lifestyle for your children. The list of parents who have made the pledge will be published in the monthly Principal's Newsletter so parents can refer to it anytime your son/ daughter is invited to a party. Thank you for considering making this pledge to keep our students safe and healthy!
