INTRODUCING

# PHA *LIVE*

Your Lab Results, Brought To Life

PHA *LIVE* is a video-based PHA summary that brings excitement and clarity to your personalized lab results. A video built just for you provides easy-to-understand explanations of your most important lab values, helping you make better choices when it matters most.

**Access PHA Live via the Patient Portal & Mobile App\***

\*Activate your patient portal account using the instructions on the cover of your PHA summary
