"Where Children and Families Come First"

Our Mission

The mission of the Parkway School District is to ensure all students are capable, curious, caring and confident learners who understand and respond to the challenges of an ever-changing world.

Summer is the perfect opportunity to see the world through your child's eyes. Through play children show us what they know and what they want to learn. As parents, we have the opportunity to be our child's first and best teacher. Take time to visit some of the outstanding summer opportunities the St. Louis area has to offer families. Have a great summer!

Summer Parent Child Interaction Classes at Parkway Early Childhood

PCIP fee based classes are offered for families with infants and children through age 5 but not in Kindergarten. You and your child will enjoy music/ movement, sensory, story time and simple art activities centered on a weekly theme. The special outdoor area with lots of water play is a highlight for everyone. Swimsuits, towels, change of clothing and sunscreen are recommended for all children. SUMMER FUN classes focus on a specific age level for children that may include multiples (twins and triplets). FAMILY FUN classes are to enjoy with one or more of your children. One child must meet the age requirement of 13 months to 5 years.

Fun Summer Craft Recipes

Flubber

What You Need:

- Two cups Glue
- Food Coloring
- Four tablespoons Borax
- Warm water

What You Do

In one bowl mix in 1 1/2 cups of warm water, Glue, and food coloring. In a separate bowl mix in Borax with 1 1/3 cup of warm water. Pour the glue mixture into the borax mixture. Do not mix or stir it will form on its own. Store in plastic baggies.

Blubberish Goop

What You Need:

- Two cups water
- 1/2-cup cornstarch
- Food coloring

What You Do:

Boil water in saucepan add cornstarch stirring until smooth. Add food coloring and stir. Remove from heat and cool. Make sure your children play with this on a flat plastic like surface (table, linoleum floor, etc).

Goop

What You Need:

- One part Liquid starch
- Two parts white glue
- Food coloring

What You Do:

Add starch to glue until mixture becomes a workable ball. Store in refrigerator in a covered container.

Simple Bubbles

What You Need:

- One cup of water
- Two tablespoons liquid detergent
- One Tablespoons glycerin (available at drug stores)
- 1/2 tablespoon sugar

What You Do:

Mix together and use.

Colorful Bubbles

What You Need:

- One cup granulated soap or soap powder
- One quart warm water
- liquid food coloring

What You Do:

Dissolve soap in warm water. Stir in food coloring. Use.

Gargantuan Bubbles

What You Need:

- One Cup Warm Water
- 1/4 Cup Blue Dishwashing Liquid
- One Tablespoon Salt

What You Do:

Combine all ingredients. Mix well until salt dissolves. Use.

Whole Face Paint

What You Need:

- One tablespoon shortening
- Two tablespoons cornstarch
- Food coloring

What You Do

Mix shortening and starch together until smooth. Add food coloring. Use a sponge or your fingers to apply to face. You can then paint with it on your children's face (i.e. whole face orange) removing with soap and water. Store in airtight container.

Flour Finger Paint

What You Need:

- One-cup flour
- 1 1/4 cups hot water
- 1 1/2 cups cold water
- Two-tablespoons salt
- Food coloring

What You Do:

Mix the flour, salt, and cold water in a saucepan. Beat the mixtures (with whisk or rotary beater) until smooth. Add the hot water and boil it until the mixture is thick. Beat until smooth. Add food coloring to add color. Store in an airtight container in the refrigerator.

Yogurt Paint

What You Need

- Plain Yogurt
- Food Coloring

What You Do:

Mix the ingredients until you get the desired color and then let your children paint

Liquid Starch Finger paint

What You Need:

- 1/4 cup liquid laundry starch
- Food coloring or One-teaspoon tempera paint

What You Do:

Mix the starch with a few drops food coloring or paint until blended thoroughly. Store in an airtight container.

Cornstarch Finger paint

What You Need:

- Three Tablespoons Sugar
- Two cups cold water
- Food coloring
- Soap flakes
- One-Half cup cornstarch

What You Do:

Mix the sugar & cornstarch in over low heat. Add water and stir until mixture is thick. Remove from heat. Next divide the paint into several different containers. Add a few drops of food coloring and a pinch or two of soap flakes to each container. Stir well and let cool. Store this in an airtight container.

Oatmeal Play dough

What You Need:

- One part flour
- One part water
- Two parts oatmeal

What You Do:

Mix all ingredients well until smooth. Knead and play.

Smelly Colorful Play dough

What You Need:

- One-Half cup salt
- Two cups water
- Two tablespoons salad oil
- Two cups flour
- Two tablespoons alum
- Kool-Aid for color

What You Do:

Dissolve salt in boiling water. Stir in Kool-Aid for color. Slowly add salad oil, flour and alum. Knead until Play dough is smooth.

Potato Dough

What You Need:

- Five potatoes
- Flour

What You Do:

Bake potatoes, in their skins, until they are soft inside (like you would eat them). Peel and then mash potatoes (throw skins away). Combine three cups flour to every four cups of mashed potato and roll until you form a great dough.

Smelly Dough

What You Need:

- Two cups whole wheat flour
- One cup salt
- Smelly Ingredient (Five teaspoons cinnamon, 1/2 cup coffee grounds, other of your choice)
- Two tablespoons of oil
- One cup warm water
- Food coloring (optional)

What You Do:

Mix all dry ingredients in one bowl, and then mix all wet ingredients in a separate one. Next mix the two. Stir the mixture until the dough forms a ball (note depending on the season, altitude you may have to add more flour if the mixture is too sticky or add more water if the mixture is too dry) Finally, Knead on a lightly floured surface until the dough is pliable. Store in refrigerator in airtight container
