**This moment in black history has been brought to you by Mrs. Agee's Family Group. Our research brought us to Althea Gibson. She was an amazing woman that set records in the world of tennis and golf. She was the first black woman to win at Wimbledon in the singles and doubles championships. She attended Florida A & M University in 1953 with a full athletic scholarship. Her quotes and motos inspired people around the world. She said, : No matter what accomplishments you make somebody helped you."**

**Jr. Vikings act with Integrity and Grit in the Great Hall when we wait our turn in line. We are all Jr. Vikings and it's a great day to be a Jr. Viking!**
