**Since its beginning in 1985, the Red Ribbon has touched the lives of millions of people around the world. After DEA Agent Enrique Camarena was killed in the line of duty, many parents and kids were angry across the country and began wearing Red Ribbons as a symbol of their commitment to raise awareness of the destruction caused by drugs in America. Today, the Red Ribbon serves as a reminder of drug prevention. Tomorrow we can show that we want to live long, productive lives. Live decades, don't do drugs. Dress form your favorite decade.**
