

ADVANCED COLLEGE CREDIT & ADVANCED PLACEMENT OPPORTUNITIES

ADVANCED COLLEGE CREDIT PROGRAMS

Several courses taught by experienced Parkway High School teachers as part of the regular curriculum have been approved to receive credit from local colleges and universities as per our articulation agreements. Students who choose to enroll for college credit pay a modified tuition and when each course is completed, have that credit available for advanced credit at the cooperating college or for transfer to other colleges. The grade received becomes part of the student's permanent college record.

Acceptance of transfer credit is subject to approval by the receiving college and is not guaranteed. Each student should contact the colleges which he or she hopes to attend for information regarding transfer of the credit and to determine if advanced credit can be earned through the Advance Placement Exam program or campus placement exams as an alternative to transfer credit.

ADVANCED PLACEMENT

Advanced Placement (AP) is a program of college-level courses or examinations for secondary school students. Taking Advanced Placement examinations may benefit you in the following ways:

1. Your college or university may exempt you from beginning courses and permit you to elect higher level courses in certain fields.
2. You may be eligible for honors and other special programs not open to students who have not been given AP recognition
3. Students are graded on the Honors scale and have the potential to earn an extra point in their GPA.
4. Your college or university may grant college academic credit for successful scores on examinations.

Contact the Guidance department for information describing the Advanced Placement Program and test fees.

Advanced Placement Examinations are Offered in the Following Subjects:		
2D Art and Design	Drawing	Physics 1: Algebra-based
