## A Note from Our Board President

Dear Parkway Alumni,

Spring is blooming with momentum here at the Parkway Alumni Association! From funding student dreams outside the classroom, to supporting educators with classroom grants, and honoring our incredible operations staff with the Light of Parkway Awards, this season is full of meaningful moments.

As graduation approaches and we prepare to welcome the Class of 2025 into our alumni family, we're also looking ahead to one of

the most impactful days of the year—[Give STL Day on May 8.](#)

This year, we invite you to support the Light of Parkway Program, which shines a spotlight on the behind-the-scenes heroes who keep our schools running—bus drivers, custodians, food service workers, and more. These awards, inspired by the legacy of Sandy Finch, celebrate kindness, joy, and service in action.

Each recipient is honored with a \$500 award thanks to donors like you. [Your gift on May 8 will ensure this tradition continues—uplifting those who serve our schools so faithfully.](#)

Thank you for being an essential part of the Parkway community. Your support continues to make a difference.

With gratitude,

Kennedy Graf

## Alumni Updates

### Alums Named New Board Members

Congratulations to Jeffrey Spector and John Kilper on being elected to the Parkway Board of Education!

Both Spector and Kilper—Parkway graduates and current Parkway parents—were sworn in during the April 16 board meeting after securing the top votes on Election Day.

We're thankful for their commitment and look forward to the leadership they'll bring to our Parkway community!

### New City Manager

Congratulations to Jennifer Dieffenderfer Krieger [PWH'89]!

Jennifer has been unanimously appointed as the [new City Manager of Dacono, Colorado](#), a rapidly growing suburb just north of Denver. Jennifer's leadership and dedication are evident, having

served as the Director of Community Development in Dacono and stepping up as the interim city manager since July 2023.

We're incredibly proud to see our alumni making such an impactful difference in their communities!

### A Heartwarming Story!

Randy Biggerstaff [PCH'69] and his son share a bond that spans decades, proving that friendship, family, and community are at the heart of what it means to be a Parkway alum. This father-son duo reflects on their incredible journey of friendship that has lasted for

over 20 years — a beautiful example of the tight-knit community Parkway graduates build, no matter where life takes them.

[Read more about their touching story here.](#)

# What's Happening At School?

## Grants in Action!

Grants in Action at Central Middle!

Central Middle School is cultivating more than just plants—they're growing a community garden to benefit students and the environment, all thanks to a grant from the Suzy Zucker Esstman Educational Grant for Parkway Teachers!

This outdoor garden will provide students with hands-on experience in sustainability and environmental stewardship—planting the seeds for future growth!

## Dreams Granted!

The [#GrantingDreams](#) Awards Are Here!

We're beyond excited to announce the 2025 Granting Dreams awards to over 100 students this spring! The Granting Dreams program, sponsored by the Parkway Alumni Association, offers three amazing grant opportunities for Parkway students who have a passion to learn beyond the classroom.

We can't wait to see how these exceptional students seize the incredible opportunities they've been given through the Granting Dreams program and make a lasting impact in their communities!

## Day of Service by Patriots!

South High students and staff showed what it means to lead with heart during their second annual Day of Service on April 11!

Patriots took part in 60+ service projects supporting their school, local neighborhoods, and the greater St. Louis community. From beautification efforts and a free car wash in Manchester to meal

packing, animal shelter help, and volunteering at food pantries, schools, and senior centers—they gave their time and talents generously. Way to go, South High! You make us [#ParkwayProud](#).
