A Story for Generations

Where Two Worlds Meet: Deanna Shoss

When grandchildren are young, a sweet treat or new toy is enough to inspire their unconditional adoration. And then they become teenagers. Suddenly it's not so easy anymore, for you or them. *Where Two Worlds Meet: A Guide to Connecting with Your Teenage Grandchildren* is a new book that gives grandparents a roadmap to stay connected and even deepen your relationship with your grandchildren as you both age written by our very own Parkway Alumni! It is an action-focused guide by Social Worker and community leader Jerry Witkovsky and marketer and interculturalist Deanna Shoss - North '81. The book provides insight and guidance on how grandparents can better understand life through their teenage grandchild's eyes.
