

8-2 TEAM NEWS

What a year it has been! As we begin the month of May, we are so grateful for the time we spent with your student in the classroom, and for all the hard work they're doing in our eLearning model. Over the next three weeks, curriculum will begin winding down; continue checking Schoology for each course's weekly goals and assignments. Thank you for making sure your child is completing and clicking "Turn In" on each assignment! Expect some virtual celebrations for our last week of instruction! We can't be together, but we still want to send our eighth graders off in style!

Here is a reminder of our Office Hours.
