

PCH Theatre Parents

PCH THEATRE PARENTS

The PCH Theatre Parents was formed to enhance our children's theatre experiences by giving support to our drama department and sponsor. Our goals are these;

1. Award yearly scholarships to deserving students who have demonstrated excellence in the PCH Theatre Department.
2. Maintain representation on the PTO Board at Central High.
3. Increase attendance at theatre through advocacy, publicity and continued support.
4. Financially support the PCH Theatre Dept. by purchasing needed equipment and materials when necessary.

Without the help of many of our patrons, the Theatre Department would not be as successful as it has become. Here is your special invitation to become a theatre patron. No, you do not have to bake cookies, attend membership meetings or sell anything.... unless you want to! You simply get to enjoy our shows with special privileges.

Perhaps the BEST gift given by the Theatre Parents is a cash college scholarship. To date, the theatre parents have donated over \$12,000 in scholarship money to graduating theatre seniors.

By purchasing a theatre patron package you will receive special ticket arrangements, benefits, inexpensive advertising and an opportunity to support our children in our school as they learn life and performance skills while gaining an appreciation for the Arts, an integral part of our culture.

Please consider becoming a patron or renewing your patron membership with us by mailing the enclosed order forms on the next page.

We look forward to seeing you soon!!

*PCH Theatre Parents are Dedicated to
Supporting Our Children and
Their Love of the Arts*
