

# Welcome to Miss Wilton's 2nd grade class!

## Welcome!

Dear Student,

My name is Miss Wilton and I am thrilled to say that I will be your second grade teacher! I hope that you are ready for one of the most exciting adventures of your young life. There are so many wonderful possibilities that this year will bring us. We have so many terrific things to learn and experience, and it all starts with YOU! I am looking forward to starting off our year right! I have spent the summer planning with the other second grade teachers to prepare for this so together we can achieve academic excellence. Bring a positive attitude toward learning and toward your classmates and we will have one great year! I hope you had an awesome summer relaxing and enjoying this warm weather. Get a good night's sleep, I can't wait to start our journey tomorrow! Here's to a wonderful year ahead.

With love,

Miss Wilton

## About Miss Wilton

This will be my fourth year at McKelvey but my sixth year teaching. I am so excited to be in the Parkway School District and even more excited to be at McKelvey teaching YOU! I spent two years teaching third grade in the Wentzville School District before this. I graduated from Murray State University in Murray, KY in May 2014 (Go Racers!). I just completed my Master's Degree in May 2019 at Southwest Baptist University in Technology Leadership.

My sweet puppy, Ella! She is a 4 year old Goldendoodle.

My amazing family!
