

PHYSICAL EDUCATION HEALTH

Sixth Grade PE/Health

For the month of April, our sixth grade students will continue their eLearning from home. The students will have PE assignments on Google Classroom that they should be checking daily. There are logs/journals that students fill out to track their progress. We will have our Health unit on First Aid and Safety the week of March 30 - April 3.

Seventh Grade PE/Health

For the month of April, our seventh grade students will continue their eLearning from home. The students will have PE assignments on Google Classroom that they should be checking daily. There are logs/journals that students fill out to track their progress.

Eighth Grade PE/Health

For the month of April, our eighth grade students will continue their eLearning from home. The students will have PE assignments on Google Classroom that they should be checking daily. There are logs/journals that students fill out to track their progress.
