March

Spring is right around the corner as well as several community events. Bingo Night was a huge success. A special thanks to the event's chair, **Liz Reuther**, for organizing this great event as well as all of the teachers who donated special lunches or treats for their students in a silent auction. Trivia Night is on March 28th and the last fundraiser of the year. If you are looking for more ways to get involved or help, get connected with Sign Up Genius by using the QR Code to the left.
