# COURSE DESCRIPTIONS

Learn more about each of the year long and semester course options in the following slides!

THE FOLLOWING COURSES CAN  
BE TAKEN AS A SEMESTER OR  
YEAR LONG COURSE.

# THEATRE PRODUCTION: THE PLAY'S THE THING!

WHAT?

In this course, students will demonstrate their skills in acting, design, construction, and production!

Wow!

Students in this class will collaborate on an end of semester project for an invited audience. Students will have the choice to work onstage or behind the scenes in multiple varied job opportunities.

WHO?

Students that like to be active, work in teams, enjoy acting, costume or set design or want to gain confidence through theatre will love this class!

# MULTIMEDIA: VIDEO PRODUCTION

## WHAT?

This multidisciplinary course will introduce students to the world of video production. Students will learn to:

Write and edit scripts for teleprompters

Create and plan storyboards

Act as on air talent

Direct, edit and film scenes using various cameras.

## Wow!

In this class you become the...

**ACTOR**

**DIRECTOR**

**& EDITOR**

of your own video projects!

## WHO?

Students that love photography, videography and want to learn about creating and editing their own video projects will LOVE this class!

# MULTIMEDIA: VIDEO PRODUCTION

# VISUAL ARTS FOCUS

## WHAT?

This class uses a variety of mediums to develop and enhance students artistic skills.

## WOW!

Use and learn more about...

- Clay
- Pastels
