Summer School 2022

Enrichment Course Descriptions

Enrichment Course	Description
Elementary	
Board Game Boredom Busters	For those of us who like board games, trivia, challenges, and more! Spend your days playing some of the most classic board games as well as spend time creating your own!
Crazy Clay Creations	Shape, bend, squeeze, and create! If you have ever enjoyed playing with play dough you are going to love this class! Learn how to make a simple cup or bowl, create structures and test their strength, and build something truly unique. Everyone will love getting their hands dirty with clay!
Cup Stacking & Juggling	Juggling and speed stacking have a few things in common. They take practice, patience, and they are incredibly fun to learn! Challenge yourself and challenge others as you learn the basics for both skills as well as have some fun outside playing classic games like dodgeball and kickball.
Game Warriors	Come let loose your inner warrior! With an emphasis on friendly competition, experience various games and battles that will let kids unleash their competitive warrior side while having fun! Along with competition comes the ability to focus on sportsmanship and playing with character.
Lego Legends	Become a lego legend with your friends! Take part in our lego challenges and take time to make your own lego creations. Will you be the ultimate lego legend?
Mega Sports Stars	All the classics in one camp! Experience basketball, soccer, baseball and more. The perfect camp for anyone who loves everything sports!
Nature Unleashed	How does a tornado pick up a cow, what's going on inside a volcano, How strong are hurricane winds? Discover the answers to these questions and more as we dive into the most extreme aspects of our natural world.
Oozy, Odd, Slimy Science	Let's get hands on with some amazing science experiments. If you like making slime you are going to love this class. Each day will include science experiments that will make you say "what", "whoa", "eww", and especially "WOW"!!
Outrageous Obstacles	Obstacle courses are the best! Duck, slide, and twist your way through a ton of different obstacles throughout the week. Mix in some classic tag games and more to make this the ultimate week of camp.

P.E. Plus!	Do you love gym class and the games you play? This is a combination of the best of the best. Get ready for a nonstop week that will get you moving and asking for more!
Ultimate Camp Sampler	A little bit of everything! Each day will be a new camp theme, science, art, and more. We picked our favorite crafts, science experiments, and games to make this an exciting week filled with a little bit of everything for everybody!
Ultimate Sports Sampler	If you like sports you will love this camp! Everyday you will have a chance to play games and experience all of your favorite sports from soccer, basketball and so much more!
Wacky, Wild, Athletics	Run, throw, kick, and play! With a mix of classic sports and off the wall games, this camp is sure to be the highlight of the summer!

Middle School (6-8 Grades)

Drive Thru Delights	From French Fries to chicken nuggets, this camp will try to recreate some of our fast food favorites. Join us as we practice recipes and even try to create your very own secret sauce!
Middle School Sports, Games and Competitions	Get ready for non-stop competition with your favorite sports and games! From Soccer to basketball, pickleball, 9-square, capture the flag and more this camp has everything for someone who loves getting active and some friendly competition.
Ready, Set, Cook!	A cooking class like no other, each day will be designed with a different cooking competition! Practice your skills, wager your ingredients, and get ready to eat.
Taste The Colors	Food comes in all shapes, sizes, and even colors! Experiment with new and exciting fruits and vegetables, create a new dish, and make some candy!
Welcome to Middle School (6)	Welcome to Middle School! We can't wait to meet you. This is a course designed for students who will be entering 6th grade next year. This course gives students the opportunities to learn about his/her building, get an overview of the sixth grade curriculum, learn expectations of the building, meet new sixth graders, talk with current middle school students, work on communication skills and much more.
