Enrichment Course	Description
<b>Elementary</b>	
<b>Camp Super Scholars</b>	Camp Super Scholars is designed to develop and grow the educational needs of gifted students entering 3rd through 5th grade. The Super Scholar enrichment camp includes inquiry-based learning techniques, experimentation and an array of fun and fulfilling hands-on activities designed to learn about complex topics. Throughout this program, participants will receive enrichment in various academic areas specially designed to make their learning experience exciting and stimulating. Let's explore water science, rocketry, optics, and energy for a camp experience you'll never forget! <i>*Offered only to students currently enrolled in Parkway Gifted Services.</i>
<b>Claytastic Creations</b>	Sculpt it, squeeze it, build it, and paint it! This week is designed with only one thing in mind, air dry clay! Each day will include new projects with our favorite moldable material, clay!
<b>Creatures and Camouflage</b>	Some animals have an incredible skill of hiding right in the open. Let's explore these creatures and more with this camp that is sure to keep anyone who loves animals wondering, why can't I do that?
<b>Imagination Creation</b>	It's time to bring our imaginations to life! With a different topic each day, campers will have a chance to create stories, design projects, and get silly with our imaginations! With all of these different ideas, who knows what each day will bring. One thing is for sure, our imaginations will make sure there is never a dull moment!
<b>Jurassic Adventures</b>	Let's bring dinos to life! With hands-on crafts and activities this week of camp will keep all dinosaur fans asking for more. Get ready for a week of roaring fun!
<b>Legoland</b>	Imagine a world completely created by LEGOs. Where do you start, what would your world look like, how many LEGOs would you need? Spend each day creating a new world or build on to your world each day. At the end of the week we will combine our projects to see just what kind of world we have created!

<b>Let's Move!</b>	There is one thing that this camp is sure to do, get everyone MOVING! Activities and games are sure to leave even our most energetic campers ready for a rest at the end of the day.
<b>Live Like An Animal</b>	What's your favorite animal? Have you ever wondered what it would be like to spend a day in their shoes (or maybe paws)? From smelling like a dog to seeing like a bat, this camp will keep you engaged, experimenting, and howling all week long!
<b>Making Monsters</b>	Spooky or sparkly monsters come in all shapes and sizes. From the abominable snowman to cookie monster there has always been a monster for everyone. Create your own monster, try out our daily monster challenge, and get ready for a week of making monsters!
<b>Mars, Martians, and You</b>	From the secrets of the red planet to little green creatures, there has always been a fascination surrounding space and the unknown. Help us investigate UFOs, create your own alien, and discover the wonders of our universe and beyond!
<b>Not So Ordinary Art</b>	Tired of the same old paint by number art projects? So are we! Let's try some art projects that are sure to get anyone's creative outlets running on overdrive. Get ready to get creative with some art projects that are far from ordinary!
<b>Play It Up PE</b>	If someone in our life loves to run, jump, and play this is the camp for them. Play some of our P.E. teachers' favorite games and more!
<b>PE With a Purpose</b>	What's the purpose? To have FUN! The best of the best games and activities will keep all of our campers moving, engaged, and most importantly having fun!
<b>Songwriting Essentials</b>	Calling all music enthusiasts! Come join Bellerive Elementary's very own music teacher Aaron Watson and spend a week having fun through music, creativity, and self expression. Perfect for any skill level this class will give all of our participants a chance to gain skills, meet friends, and take part in creating something new and original!
<b>Space Explorers 2.0</b>	This popular camp is back with new activities and discoveries! Space is so big, of course we couldn't cover it all the first time, join us for some more space fun! Great for anyone interested in planets, stars, asteroids and more this is the perfect camp for any space explorer.
<b>Things That Zoom</b>	Roll a marble, build a car, fly a plane and so much more. This week, we are focused on one word: ZOOM! If it goes, we want to build it. Join us for a week of non-stop zooming fun!
<b>Ultimate Camp Sampler</b>	Can't decide which camp to take, try out a little bit of them all! Each day will be focused on a different topic. From arts and crafts, to nature, to science this week will keep all of our campers busy and having fun from start to finish!

**Middle School (6-8 Grades)**

<b>Chopped(ish) Challenge</b>	Get creative with cooking! Participants will be placed into teams and each day will start with a basic recipe. From there, teams will get to choose additional ingredients to make the dish their own! Of course we will have to leave time for teams to try each other's food and declare a winning dish. Are you ready for a challenge?
<b>Creative Writing</b>	Love fiction? Love poetry? Then this is the perfect class for you! Come join us and gain confidence in your abilities as we read and write both fiction and poetry. Get a chance to read and write each day in a fun and relaxing atmosphere, while becoming a stronger writer.
<b>Fast Food Favorites</b>	Crispy, crunchy, sweet and salty, those fast food places have some foods that leave us craving for more. Let's spend a week recreating some of our favorites! While we might not have the exact recipe for secret sauce, let's see how close we can get!
<b>Musical Theatre Exploration</b>	Do you love musicals and are interested in learning more? Whether you are a regular at the Fox Theatre or just looking to try something new, this class has something for everyone! Discover and discuss musicals both old and new, find out what makes them successful, and join Music Teacher Matt Preacher for a fun and immersive class you won't soon forget. No musical experience is necessary, just an interest and desire to learn more about the genre. Register for one week or all three as each week will dive deep into different musicals!
<b>Snacks and Apps</b>	A tasty snack or appetizer can turn someone from hangry to happy in no time. If you're tired of eating the same pizza rolls day after day this camp is for you! Let's learn some simple and some not so simple small serving foods that you can enjoy anytime!
<b>Welcome to Middle School (6)</b>	Welcome to Middle School! We can't wait to meet you. This is a course designed for students who will be entering 6th grade next year. This course gives students the opportunities to learn about his/her building, get an overview of the sixth grade curriculum, learn expectations of the building, meet new sixth graders, talk with current middle school students, work on communication skills and much more. Please note: This class is part of the Parkway Summer School program and is only open to students who attend Parkway schools and all other students living within the district.
