Summer School 2024
Enrichment Course Descriptions

Enrichment Course	Description
Elementary	
Animal Art	Do you love animals? Do you love art? If you said yes to either question this camp is for you! Try out different art projects each day that are inspired by our favorite animals!
Art Attack 3.0	Our most popular art camp is back again! With all new projects, this non-stop art class will get you cutting, painting, pasting and creating something new and exciting each day!
Astronaut Academy	Calling all future astronauts! Do you have what it takes to go into space? Let's take a week to discover what astronauts really do! Enjoy some interactive astronaut training activities, create your own space helmet, and join us for a week of astronaut fun through crafts and activities!
Crafty Kid Creations	Calling all crafty kids, we want to see what you can create! Let us lead you in some cool crafty creations and then build something from scratch during our free build time. Think you can make our craft better, great! Follow along with the instructor or take any craft in your own direction. We love seeing the amazing things our campers create!
Games, Games, Games	The title says it all!! If you love moving, running, jumping and playing all sorts of games you will not want to miss this camp! From classic PE games to games that will be new to you, there is something for everyone who is ready to play games, games, and more games!
Dino Discovery	Get ready for a ROARING good time! If you love dinosaurs, you will love this camp. Come ready to talk about your favorite dinosaurs and get ready to discover something new. With so many dino inspired crafts and activities there's sure to be something for everyone!
Get Up and Go!	Get up, it's time for fun! Don't just sit around all summer, get out and run with our favorite PE teachers! From your classic PE activities to something new there is sure to be something for everyone who likes to go, go, go!

Lego Creations	Lego Batman is in search of some new Master Builders! He needs help creating cars, creatures, and everything in between to stop President Business . Do you have the skills needed to help our heroes?
Mythical Monsters!	Bigfoot, Fairies, Goblins and so much more. Discover some of our favorite mythical creatures from Folklore, legends and fairytales. Learn about our favorite creatures, tell their stories, and create your own!
Out of This World Art Inspiration	Have you ever looked up at the night sky and it was so amazing you couldn't look away? That's exactly the inspiration for this camp! Let's create different forms of art from this world and beyond!
P.E. with a Purpose	What's the purpose? To have FUN! The best of the best games and activities will keep all of our campers moving, engaged, and most importantly having fun!
Play it up P.E.	If someone in our life loves to run, jump, and play this is the camp for them. Play some of our P.E. teachers' favorite games and more!
Scipmylo - the Backwards Olympics	We love the Olympics, we also love taking things we know well and changing up the rules to make it EXTRA interesting. Try some classic Olympic events and then try some competitions customized with our silly new rules! We may even throw in some fun games WE think should be in the Olympics.
Songwriting Essentials	Calling all music enthusiasts! Come join Bellerive Elementary's very own music teacher, Aaron Watson, and spend a week having fun through music, creativity, and self expression. Perfect for any skill level, this class will give all of our participants a chance to gain skills, meet friends, and take part in creating something new and original!
STEM PE	Let's combine two of our favorite things. STEM Programs and PE! This STEM based PE camp will get students moving AND thinking! From creating obstacle courses to developing new carnival games, this camp is sure to challenge all of our campers in fun and new ways!
Talk It Out Trivia	Do you love puzzles, riddles, trivia, or challenges? This is the camp for you! Each day will be a mix of new games and challenges to test the brainiest brainsters around.
The Art of Rainbows	There's nothing better than seeing a rainbow after a rainy afternoon. Get inspired by those amazing colors and get ready to create! From tie die to sand we will explore an array of art mediums during this colorful week of creation.
Things That Zoom	Let's go fast! Design a car, build a marshmallow catapult and learn about the speed of sound. We will make so many things that zoom that it's impossible to list them all here!

Wacky Weather	Weather is so cool! Well it's also hot and windy and sunny and cold. But what makes it that way? Let's discover why the weather is so wacky through hands-on activities and experiments.
Middle School (6-8 Grades)	
After School Snacks	It's time to level up your snack game! Nothing is better than coming home from school to your favorite snacks. But, we can do better than chips and popcorn. Learn some fun and easy ways to make amazing snacks that you can enjoy any time of day!
Brunch to Linner. Cooking For Any Time of Day!	If you love food and don't want to rely on other people to get it, we have the camp for you! Breakfast, lunch, dinner and everything in between. Let us teach you some of our favorite recipes and then try them out together!
Chain Reactions	Can you pour a glass of water? Of course you can! Can you pour a glass of water without touching the pitcher or the cup? Let's build something that can! From wheels to levers, pulleys and cranks let's get building and creating!
Cooking for the Holidays	Thanksgiving, Christmas, Hanukkah and more. There are so many holidays with amazing food that goes along with them. Let's get to work exploring and creating these holiday delights!
Creative Writing	Love fiction? Love poetry? Then this is the perfect class for you! Come join us and gain confidence in your abilities as we read and write both fiction and poetry. Get a chance to read and write each day in a fun and relaxing atmosphere, while becoming a stronger writer.
Dungeons and Dragons for Beginners	Dungeons and Dragons is a fun and exciting role playing game that immerses you into a world of heroes, villains, creatures, and challenges. Meet new teammates and get ready to explore this exciting new world! No experience necessary, we will teach you everything you need to know from building a character to immersing yourself in role playing and more. From learning how to play to enjoying a short campaign, this camp has everything you need to start your lifelong hobby with D&D!
Fast Food Favorites	Learn how to re-create some of your favorite fast food favorites at home! While we might not have the exact recipes, we would put our recipes against theirs in a taste test anyday! From secret sauces to buttery biscuits, skip the drive through and come cook with us!

Lego Masters	A new challenge each day! Put yourself up against the competition and get ready to create. From timed challenges to design challenges you will put your building skills to the test with both group and individual challenges throughout the week. If you like to build, create, and compete, this camp has something for you!
Musical Theatre Exploration	Do you love musicals and are interested in learning more? Whether you are a regular at the Fox Theatre or just looking to try something new, this class has something for everyone! Discover and discuss musicals both old and new, find out what makes them successful, and join Music Teacher Matt Preacher for a fun and immersive class you won't soon forget. No musical experience is necessary, just an interest and desire to learn more about the genre. Register for one week or all three as each week will dive deep into different musicals!
Sweets and Treats	The best of the best, we have the food that is going to satisfy any sweet tooth. Let's get in the kitchen and create some of the best tasting desserts you have ever had!
S.T.E.M. Survivor	It's time to challenge your friends for some friendly competition. With a STEM theme there will be no shortage of challenges to overcome. Build the tallest, strongest tower, design the best rollercoaster and so much more! A new competition each day!
Welcome to Middle School (6)	Welcome to Middle School! We can't wait to meet you. This is a course designed for students who will be entering 6th grade next year. This course gives students the opportunities to get an overview of the sixth grade curriculum, learn expectations, meet new sixth graders, talk with current middle school students, work on communication skills and much more. Please note: This class is part of the Parkway Summer School program and is only open to students who attend Parkway schools. This camp will be held at West Middle but will be beneficial to students entering any Parkway Middle School.
