Enrichment Course	Description
<b>Elementary</b>	
<b>Art Attack is Back</b>	Our most popular art cam is back and better than ever! With a lineup of new projects and activities, this week of camp is an overwhelming favorite for all art lovers. Don't delay; this camp is sure to fill up fast!
<b>Camp Super Scholars: Gifted Camp</b>	Camp Super Scholars is designed to develop and grow the educational needs of gifted students entering 3rd through 5th grade. The Super Scholar enrichment camp includes inquiry-based learning techniques, experimentation and an array of fun and fulfilling hands-on activities designed to learn about complex topics. This summer's focus is Robotics! Throughout this program, participants will receive enrichment in various academic areas specially designed to make their learning experience exciting and stimulating. *Offered only to students currently enrolled in Parkway Gifted Services.
<b>Cool Colors and Crazy Crafts</b>	Come experience a vibrant summer adventure with cool colors and crazy crafts! Mix your colors and get creative with crafts that stand, shimmer and shine. Mix in some fun games and new friends and you have an unforgettable week of camp!
<b>Diggin' up Dinosaurs</b>	ROAR! Dinosaur enthusiasts, get ready for a week of dinos and more! Learn about the eras in which dinosaurs lived, which dinosaurs ruled the land, and create dino art projects and games.
<b>Everything S.T.E.M.</b>	Science, Technology, Engineering, Math: this week of camp has it all! Let's explore the never-ending opportunities of S.T.E.M. themed activities, crafts and games!
<b>Game Time!</b>	Play in many different ways! Active games that get the blood flowing, tabletop and board games... this camp has something for everyone! Create your own game or share your favorite.
<b>Get up and Go!</b>	Get up, it's time for fun! Don't just sit around all summer, get out and run with our favorite PE teachers! From your classic PE activities to something new there is sure to be something for everyone who likes to go, go, go!

<b>Imperfect Art Activities</b>	Every piece of art is a masterpiece, no matter how perfect or imperfect it may be. Celebrate creativity and self-expression through experimentation and fun with everything art!
<b>Lego Creations</b>	Lego master builders, this is the camp for you! Each day, tackle a different LEGO challenge along with some free-build time.
<b>Make It Your Own Crafts</b>	Instructors will introduce a general idea, but where the kids take the crafting is up to them! Kids can follow along or create something truly unique! No two crafts will be the same and that's the way we like it!
<b>Out of this World Art Inspiration</b>	Planets, stars, northern lights...There is beauty in our solar system! Be inspired by out of this world elements to create amazing works of art here on Earth.
<b>P.E. with a Purpose</b>	What's the purpose? To have FUN! The best of the best games and activities will keep all of our campers moving, engaged, and most importantly having fun!
<b>Play it up P.E.</b>	If someone in our life loves to run, jump, and play this is the camp for them. Play some of our P.E. teachers' favorite games and more!
<b>Play with Clay</b>	Create with clay! Using air-dry clay, each day brings an exciting theme to explore. Pinching, rolling or sculpting, bring your wildest ideas to life through fun, hands-on projects.
<b>Silly, Slimy Science</b>	It's stretchy, squishy and slimy! Mix, stir and create wacky science projects. Each day, make slime, experiment wand become a budding scientist!
<b>Space Explorers</b>	Explore the wonders of space as we journey through planets, stars, galaxies, and beyond through hands-on activities and experiments. Get ready to blast off for adventure!
<b>Middle School (6-8 Grades)</b>	
<b>After School Snacks</b>	It's time to level up your snack game! Learn some fun and easy ways to make delicious snacks that you can enjoy any time of the day!
<b>Baking for Beginners</b>	Are you interested in creating delicious desserts, but have struggled to get started? Let us help by teaching you the basics! The best way to learn is through practice. With multiple recipes each day, this class will get you baking in no time!

<b>Creative Writing</b>	Do you have dragons living in your head? A fascinating life story you want to tell? A love of adventure? Join us for a week of Creative Writing Camp to learn how to turn your stories into books people want to read. Taught by published author Sarahlynn Lester.
<b>Dungeons and Dragons</b>	Dungeons and Dragons is a fun and exciting role playing game that immerses you into a world of heroes, villains, creatures, and challenges. Meet new teammates and get ready to explore this exciting new world! No experience necessary, we will teach you everything you need to know from building a character to immersing yourself in role playing and more. From learning how to play to enjoying a short campaign, this camp has everything you need to start your lifelong hobby with D&D!
<b>Get Up and Go!</b>	Get up, it's time for fun! Don't just sit around all summer, get out and run with our favorite PE teachers! From your classic PE activities to something new there is sure to be something for everyone who likes to go, go, go!
<b>S.E.T. Challenge (Science, Engineering, &amp; Technology)</b>	Get S.E.T. for a non-stop week of building, creating, designing, and analyzing! Each day will include hands-on projects that will challenge participants in different ways. From junkbox wars to tower building there will be something for anyone interested in Science, Engineering, and Technology!
<b>Sweets and Treats</b>	Get ready for a sweet adventure in the kitchen! Whether you're a beginner or a budding baker, create mouthwatering desserts to satisfy any sweet tooth. Instructors guide you through the basics, teaching kitchen safety and fun techniques to help you create delicious treats.
<b>Welcome to Middle School (6)</b>	Welcome to Middle School! We can't wait to meet you. This is a course designed for students who will be entering 6th grade next year. This course gives students the opportunities to get an overview of the sixth grade curriculum, learn expectations, meet new sixth graders, talk with current middle school students, work on communication skills and much more. Please note: This class is part of the Parkway Summer School program and is only open to students who attend Parkway schools and all other students living within the district. This class is open to any Parkway students attending any Parkway Middle School during the 25-26 school year.
