

PARKWAY WEST LONGHORNS

Dear West High Activity Participants,

In an ongoing effort to simplify the pre-participation process for our students, parents, and coaches, our office is utilizing an automated paperless document collection source called Privit. The good news is that your account will only need to be updated with changes from year to year, not recreated. After parents/students have completed their Privit profile and uploaded their physical, students will still need to monitor their clearance status in PRIVIT in order to be granted access to practice.

Returning Users:

Some families have already created a Privit profile for the past (2022-2023) school year. If that is the case you will need to log back in to your Privit profile to update your information for the 2023-2024 school year, upload (or restore from archives) a valid physical (Dated after July 1, 2022) and join the appropriate athletic team(s).

Important Note: ****If your physical is dated July 1, 2022 or later, it will be good for the entire 23-24 school year. If your Physical is dated before July 1, 2022 you will need to upload a new physical (dated after July 1, 2022) for the upcoming school year. **ONLY PAGE 5 OF THE PHYSICAL PACKET NEEDS TO BE UPLOADED TO PRIVIT. ALL OTHER PAGES STAY WITH YOUR MEDICAL PROVIDER******

New Users:

If you are new to Privit you will need to log on to Privit and create your profile. In Privit, you will create the parent account, add your student(s) to the account, complete all sections, upload the annual physical signed by an appropriate medical provider clearing the athlete for participation, and finally join appropriate teams.

*****To access more detailed information and specific instructions regarding Privit, go to <https://www.parkwayschools.net/Page/9872> and navigate to resources section. There you will find a link titled, "Privit Information".**

Thank you as always for being a partner in athletics.

Step 7: Follow CLEARANCE GUIDELINES below

MANDATORY * In order to be able to attend practices on the first day of practices or later, you will need to check your clearance status within your PRIVIT profile (explained below). You will only be granted access to practice with a Cleared status in PRIVIT. PLEASE BE PATIENT AS WE WORK THROUGH HUNDREDS OF PROFILES LEADING UP TO YOUR SEASON.**

When you log in you will see any of the following within your account (images on next page):

1. **Submission incomplete** – This means you have not completed all the requirements for us to review your profile. Go back thru all the blue buttons and update/complete missing components.
2. **Submission complete** – This means you have completed everything and it is waiting for someone in the activities office to review your information.
3. **Not Cleared Deferred** – This means your submissions had something that did not pass the screening process (i.e. out of date physical, no insurance listed, missing signatures, etc...) You will need to go back in to your profile to complete the missing/incomplete/inaccurate data.
4. **Cleared** – This means you are cleared to attend practice once the season starts

IMPORTANT.... We are requesting everyone complete their PRIVIT the week prior to the start of practices, if not before. The activities office will review submissions and update PRIVIT status on an ongoing basis. Status is NOT automatically updated to clear after completing all necessary forms.

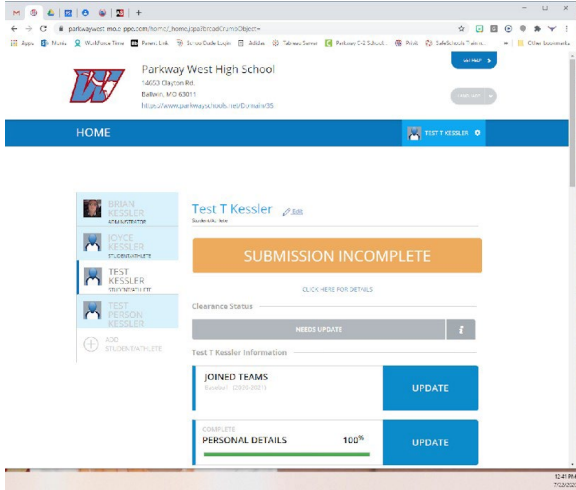

AGAIN, PLEASE BE PATIENT AS WE WORK THROUGH HUNDREDS OF PROFILES LEADING UP TO YOUR SEASON.

Please understand that a last minute submission on your part might mean a delay in being able to attend practice. Once you are cleared that status remains for the entire school year.

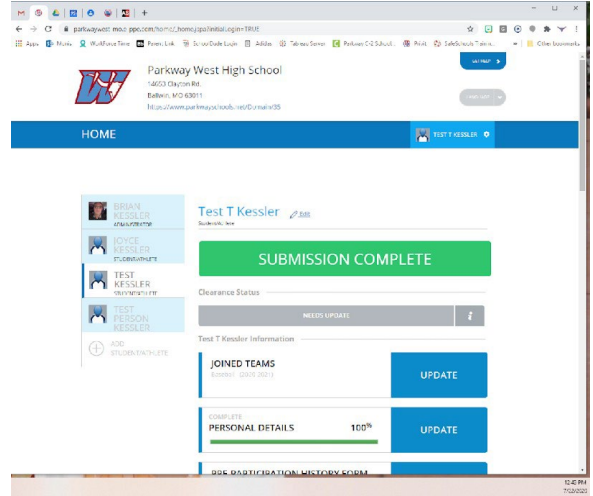

If you have questions or concerns please contact Gina Groceman at ggroceman@parkwayschools.net or Jeff Taggart jtaggart@parkwayschools.net
