

# The Longhorn Way

Parent Edition No. 28 2.17.17

As you know our mission is to ensure all students have a purpose, place, and voice at West Middle. To help ensure our mission, we are expanding our Character Council and renaming it to "LEAD-Lighthouse Team." The new structure will allow West Time class leaders a leadership opportunity by creating changes in our school and be instrumental in solving school issues. If your child is interested in being a part of Lighthouse team, applications will be available on Tuesday, February 21<sup>st</sup> outside each counselor's office.

**Spring Musical-** Join us for several evenings for the production of Alice in Wonderland. West Middle students will be performing Thursday-Sunday at Logan University.

Third trimester starts on Tuesday, February 21<sup>st</sup>. On Tuesday, we will revisit expectations of getting to class on time. Please talk with your child about the importance of being to class on time.

Thanks for sharing you kids with us.  
~Annie
