

The Longhorn Way

Parent Edition No. 34 April 7, 2017

The Parkway School Board recently approved middle school students to be equipped with a Chromebook for the 2017-2018 school year. Each student will be issued a Chromebook to use during the school day and at home. The technology will allow us to be more innovated in the classroom to prepare students for the ever changing world. We are excited for the new opportunity. We are in the process of working out the details of the roll out and we will keep you informed.

Tonight is **Longhorn Family Game Night**. Thanks to the PTO for all their help with the food and drinks for the evening. Special thanks to the Student Game Night Committee for planning the event.

Future 8th graders- Immunizations: All incoming 8th graders are required to provide documentation of the Tdap vaccine and the Meningococcal Conjugate Vaccine prior to the first day of 2017-2018 School year. The deadline was March 31st. If you have not provided documentation please do so as soon as possible. Please contact the Nurse Doll 314-415-7430, if you have questions.

Current 6th and 7th Grade Parents-**Challenge Science** forms are to school by Monday. Thanks for sharing your child with us.

~Annie
