

# The Longhorn Way

Parent Edition No. 40 May 19, 2017

**Parent learning you won't want to miss:** On June 6th, from 6:00 p.m. to 8:30 p.m., West Middle will be hosting a presentation for parents about risky behavior. The event focuses specifically on drug and alcohol abuse. The organization sets up a mock bedroom for parents to examine and then a presentation on the sign that may be right in front of them. It is never too early to teach parents the warning signs, in order to prevent usage and addiction. This presentation has been a huge success in many schools across the St. Louis Area. This event is for parents' eye only! See our website for more information.
