

The Longhorn Way

Parent Edition No. 38

May 18, 2018

The end of the year is fast approaching. I hope everyone has made plans for to continue learning over the summer. One of the most important continued learning that can take place is reading. Students that read at least 5 books over the summer are less likely to experience “summer slide,” the regression of reading. Be sure to check out the links below to get involved in reading challenges this summer:

Locker Clean Out: Students will clean out their lockers on Tuesday, May 22. Please be sure students also check the lost and found for items they may be missing. **No paper or backpacks are allowed on the buses after May 22. Yearbooks can be taken on the bus.**

8th Grade Chromebook Return: Students will be returning their chromebooks in their ELA classes. Don't forget to work with your child to prepare for the [Chromebook Return Checklist](#).

- 8th Grade Students return on Monday, May 21

Report cards: Middle and high school students can access report cards on the Infinite Campus portal May 29 through June 13. If you wish to print or save 2017-18 report cards, you need to access them on the portal by June 13. On June 14, summer school schedules and progress grades will be available in Infinite Campus. Log in to the [Infinite Campus portal here](#).

Today was another successful Longhorn Day! It couldn't have happened without the support of our parents, especially the 8th grade parents taking care of the 8th grade tshirts and the 6th grade parents serving lunches.

Thanks for sharing your children.
