PRESIDENT'S AWARD FOR ACADEMIC EXCELLENCE

In June of 1984, the President and the National Commission on Excellence in Education established a nationwide recognition award which allows principals to honor students who have achieved high academic goals through hard work and dedication to learning. North High's criteria for earning this award is: 1) an overall A- average for 7 semesters, 2) achievement at the 85th percentile on the SAT or the ACT college admissions test, and finally, 3) 16 credits in 4 core areas, which includes English, math, science and social studies, as well as modern and classical language.
