Parking Permit Application 2018-2019

Parking Guidelines and Information

- In order to participate in this privilege, students must be in good standing (e.g. no fines in the school store, no excessive tardies or absences), apply for and purchase a parking permit, be assigned a parking space, and follow the regulations governing students parking on campus.
- Students must possess a valid driver's license and have their car(s) insured.
- Parking permits are the property of North High. They may not be sold or transferred to other students for any reason.
- Only juniors and seniors may obtain parking permits. Students who park illegally on campus may not be eligible to purchase a parking permit in later years.
- Student parking will be by assigned space. **Student parking is not allowed on the staff lot.**
- If you arrive at school and someone is parked in your space, park in visitor parking and notify the staff member at the Attendance window immediately upon entering school.
- **Students may not return to the parking lot during school hours without a pass from a teacher or administrator.**
- Parking in a location other than your assigned spot will result in a **\$15.00** fine per incidence.
- Lost parking permits will be replaced for a **\$15.00** fee.
- The Parkway School District retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student vehicles on school property.
- The Parkway School District may inspect the interiors of student vehicles whenever a school official has reasonable suspicion to believe illegal or unauthorized materials are contained inside the vehicle.
- Students engaging in behavior which is unsafe (i.e. speeding, disregarding driving rules, etc.) may have their parking permit revoked on the first offense.
- Any student caught leaving campus without proper authorization during school hours will be warned once. On the second offense, the student's parking permit will be revoked.
- Repeated violations of these conditions shall result in increasingly severe consequences, including revocation of parking privileges or suspension from school.

I agree to the conditions set forth on the directions in this application, in the Student Handbook and, on a daily basis, by school personnel.

I will forfeit the parking permit and parking privileges when asked to do so by school personnel.

I understand that parking is a privilege, not a right, and that abusing this privilege may result in disciplinary action.

I will not hold Parkway School District or Parkway North High School responsible for any loss or damage to vehicles or property contained therein.
