

The **Freedom Memorial Wall** was the vision of Lew Smith, a former teacher at South High. While the wall fulfilled his dream of honoring staff and students who served active duty, it is a continual work in progress to add individuals who should be represented on the wall.

Please contact **Bonnie Krueger** at bonnielok66@gmail.com or **314-952-1735** if you know of someone who should be added.

Help us to keep the board updated and a place where you or your loved one's service is truly honored.
