

The Freedom Memorial Wall was the vision of Lew Smith, a former teacher at South High. While the wall fulfilled his dream of honoring staff and students who served active duty, it is a continual work in progress to add individuals who should be represented on the wall. Please contact Bonnie Krueger at bonnielok66@gmail.com or 314-952-1735 if you know of someone who should be added. Help us to keep the board updated and a place where you or your loved one's service is truly honored.
