I am going to Prom! What do I do?

1. If you are bringing a Guest (a non-South-High-student): Pick up a guest form in the school store. The form must be completed before you can purchase your tickets. Guest Forms are a two step process; your guest needs his/her administrator's signature, then you need to get your administrator's signature. Please do NOT wait until the last minute to do this. Pick up a form today!
2. Purchase your tickets at the bookstore. **\$70 per person.** The bookstore takes cash, credit card or check (Made payable to Parkway South High School).
3. Fill out **Prom 2020 Informational Form** as soon as the ticket is purchased. This will have you enter in your food choice and your guest information. If you do not fill out this form, you **don't get food** and you **can't choose your table assignment.**

Dinner: Included with Prom Ticket

- Traditional Caesar salad
- Herb crusted chicken breast with potatoes and chef's vegetable
- Cheesecake or Chocolate cake
- Soft Drink Station
- *If you have a food allergy or dietary restrictions, be sure to put it on the google form when filling out the Prom 2020 Informational form.*

4. Once everyone at your table has a ticket, choose **ONE person** to fill out the **Prom 2020 Table Assignment Google Form.** If you don't fill this out, your table will be randomly chosen for you.
