

2022-2023 Calendar of Religious Observances

This calendar is annually reviewed and approved by Parkway's Religious Leaders organization, a diverse group of invited leaders of Parkway's religious community who serve in an advisory capacity to the superintendent. It is intended to increase awareness about many of the religious obligations and celebrations that may affect students, colleagues and neighbors.

LEGEND: * Religious observance begins at sunset on the first date and ends at sunset on the last date.

Regional customs, group preferences or moon sightings may cause a variation of this date.
