

YOU TESTED POSITIVE FOR COVID-19 AND/OR HAVE SYMPTOMS WHEN CAN YOU RETURN TO WORK?

STAY HOME FOR 5 DAYS IF YOU TEST POSITIVE YOU MAY RETURN EARLIER IF YOU SUBSEQUENTLY RECEIVED A NEGATIVE TEST

RETURN TO WORK

*Are my symptoms substantially reduced?

- You feel well enough to come to work
- Fever free for 24 hours without fever reducing medication
- No more than a minimal, non-productive cough (i.e., not disruptive to work, doesn't stop you from wearing a mask continuously, and you are not coughing up phlegm)

**What documentation do I need before I return to work?

- All absences of more than three consecutive work days require doctor's note per board policy. In order to return to work, you will need:
- a COVID test from a medical or testing facility (ex. physician's office, pharmacy, testing facility, health department). The test can serve as your doctor's note; OR
- a doctor's note
