

## Looking Back at Pierremont's History

Pierremont Elementary School first opened its doors in 1967 when a farmhouse, barn and green pastures were just beyond the kindergarten fences. Expansion came rapidly as the farm was sold and the pastures quickly filled with new homes. In 1990-1991, Pierremont reached its highest enrollment with 734 students. However, in 1995, Pierremont said goodbye to the sixth grade class, as it became part of the new middle school. Today, Pierremont serves over 400 students from kindergarten through fifth grade.
