

Bellerive Leaders will Build Themselves Up to Blow Away the MAP!

MAP testing will be taking place at Bellerive from May 4th through May 14th. MAP stands for the Missouri Assessment Program. It is given across the state of Missouri to students in grades 3-8. The state requires that the MAP be administered. With this being a unique year, results will not be used as a growth measure. This is not a test that your child can study for. The test will be given online but cannot be administered virtually. All students will be completing the test on their Chromebook. Our goal is for each child to have a growth mindset and give the test their best. We know they will blow the test away!!!

Blow the test away with these reminders:

- Please make sure your child is at school and on time for testing.
- Please make sure your child gets a good night's sleep and eats a healthy breakfast.
- Please assure your child that they can do it!
- If students choose, they can bring headphones to use on the test. We will provide headphones for those who do not bring their own.

Testing Schedule

Dates	Grade	Subject
May 4th- May 6th	5th	ELA/Mathematics/Science
May 7th, 11th, and 12th	4th	ELA/Mathematics
May 13th-May 14th	3rd	ELA/Mathematics
Along the Way!	MAKE-UP Testing	

The building schedule will largely remain the same. Students will have lunch and recess at their normal times. Be on the lookout for the Bellerive MAP video!
