12 January 2021 - Course Request Process for Incoming 6th Graders

Dear Northeast Middle families of incoming 6th graders,

Welcome to the Northeast Middle Jr. Viking family. It is hard to believe that it is already that time of year. Certainly this year has presented numerous challenges and opportunities to learn of new ways of doing things. I hope this email overall finds you well. I wanted to provide you with an update regarding the course request process for 2021-2022 for incoming 6th graders at Northeast Middle.

In order to ease this process, we are offering virtual informational sessions for parents and their child. Although, these are optional sessions they are highly encouraged for all to attend. During these sessions, we will be discussing course offerings, how to complete the course request process, and meeting some teachers, administrators, and counselors. We will be hosting the below informational sessions virtually, and pre-registration is required:

Tuesday, January 26, 2021 @ 5p

Tuesday, January 26, 2021 @ 5:45p

Tuesday, January 26, 2021 @ 6:30p

In the meantime, we encourage you to review the Course Elective Options for 2021-2022 by clicking [here](#). Lastly, our counseling team will be meeting with all 5th graders during class on Monday, February 1, 2021, to discuss course requirements further and answer any of their questions.

If you have any questions, please feel free to reach out to me at kmartin2@parkwayschools.net. We look forward to meeting you at one of the informational sessions.
