

## STUDENT DISCIPLINE

### **A. Philosophy of Education and Discipline**

The board of education believes that each student is unique and has the potential for making positive contributions to society. We recognize that in order to function in society, individuals need to master certain basic skills and need to continue learning throughout life. We believe that while learning the need for and the value of group dynamics, individuals will come to know and to appreciate their worth and that of others. We believe that by accepting and fulfilling appropriate responsibilities, individuals will come to value resultant privileges. Finally, we believe that each individual needs to develop an awareness of and sensitivity to creativity in all things whether they are functional or aesthetic. Therefore, we commit ourselves in a cooperative effort with parents/guardians, community, law enforcement officials, social services agencies, family court, and school personnel to provide an atmosphere that will allow all students to learn and grow.

#### Parkway's Code of Conduct

The following commitments are essential to a successful school program and purposeful life:

- Parkway students will pursue academic excellence and show respect for teaching and learning.
- Parkway students will promote responsibility, respect, civility and altruism.
- Parkway students will demonstrate strong character.
- Parkway students will accept and honor all people including those who appear different from themselves. They will speak out and respond in support of people who are targets of mockery, intimidation, or harassment.
- Parkway students will treat all members of the school community with courtesy and respect.

Parkway schools serve many age groups whose needs and rights differ according to their levels of maturity. We believe that our schools must be an orderly environment in which learning is not jeopardized by disruptions. Within these limitations students must be given opportunities to bear responsibilities, to accept the reasonable exercise of authority and resist both oppression and license. One of the most important student responsibilities is to obey a school rule or policy until such a rule or policy is revoked. A necessary assumption is that students will accept their responsibilities and that parents and/or guardians will take an active role in monitoring their student's behavior. Parkway promotes, supports and facilitates parental and/or guardian understanding of its philosophy of education and discipline. Parental and/or guardian involvement is crucial to maintaining good order and discipline in the province of the school. Ultimately parents/guardians are responsible for their child's behavior.

For the purpose of this policy which is adopted under authority conferred by state law, potential student discipline consequences are separated into two classifications: Superintendent Suspension, for conduct that is considered serious, and Principal Suspension, for conduct that is less serious but nevertheless disruptive and, therefore, unacceptable. A Superintendent Suspension may also result in a referral to the Board of Education for Expulsion, i.e., permanent removal from school. Teachers and administrators are expected to hold students strictly accountable for their failure to obey standards of conduct set out herein, and may impose lesser consequences than suspension. Also see Policy ECAC, Vandalism-Theft-Trespassing.

### **B. Province of the School**

The district has authority to control student conduct which is prejudicial to good order and discipline in the schools or which tends to impair the morale or good conduct of pupils. School officials are authorized to hold students accountable for misconduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, during intermission or recess periods, or at a bus stop. Student misconduct which occurs at non-school related activities and/or off-campus may be the subject of discipline if the conduct causes or could cause a substantial disruption at school or has an effect on the general

welfare or reputation of the school, its pupils, faculty, administration or staff. The district also has the authority to discipline Parkway students who are receiving services from Special School District of St. Louis County ("SSD") for misconduct occurring on SSD property, SSD buses or at SSD activities. (Approved June 18, 2008)

### **C. Consequences of Misconduct**

Students may be disciplined for conduct that is prejudicial to good order and discipline in the schools or which tends to impair the morale or good conduct of students, including violating the standards of conduct set out herein.

Possible consequences include, but are not limited to, notifying parents/guardians by telephone or letter of student misconduct; change of class schedule; special work assignments; loss of class or school privileges; verbal reprimand; withdrawal of privileges (athletics, intramurals, before/after school activities, attending outside school events, etc.); the reassignment of the student to another school or site within the district; an in-school suspension; the principal's removal of the student from school for a period of one to ten school days ("Principal Suspension"); the superintendent's extension of the Principal Suspension for a period of up to 180 school days ("Superintendent Suspension"); the board's removal of the student from school for a definite period of time; or the board's permanent removal of the student from school ("Expulsion"). Corporal punishment is not an option, as the board of education prohibits its use in the schools. See Policy JKA, Corporal Punishment.

Upon investigation and consideration of all relevant facts, including any extenuating circumstances, the principal shall determine whether the misconduct in question is classified as misbehavior that should result in a lesser disciplinary consequence, a Principal Suspension, or referral for extension of the Principal Suspension for a Superintendent Suspension. The Superintendent may also refer a matter to the Board of Education for removal in excess of 180 days or Expulsion. The exact discipline administered rests with the discretion of the school officials.

### **D. Due Process Protections**

Students and parents/guardians shall be accorded appropriate due process protections in connection with such disciplinary action. Those protections include the following:

**Principal Suspension.** Prior to a Principal Suspension, an informal conference shall be held with the student wherein: (1) the student shall be given oral or written notice of charges against him/her; (2) if the student denies the charges, the student shall be given an oral or written explanation of the facts which form the basis of the proposed suspension; and (3) the student shall be given an opportunity to present his/her version of the incident. The superintendent may revoke a Principal Suspension at any time.

**Discipline Review Committee.** If a principal recommends that the superintendent extend a Principal Suspension beyond the initial ten (10) school days, the Discipline Review Committee (DRC) shall review the student misconduct and make a recommendation to the superintendent regarding the length of the suspension. The DRC should ensure that discipline is fairly and consistently applied to all students, regardless of race, ethnicity, disability, gender, school location or any other impermissible factors. The superintendent may accept or modify the recommendation of the DRC. The DRC recommendation and superintendent's decision normally shall be made prior to the end of the Principal Suspension. The student and the student's parent or guardian have the opportunity and are encouraged to attend all DRC meetings held to address their child's misconduct.

**Superintendent Suspension.** Any extension of the suspension by the superintendent should normally be made and communicated to the student's parent or guardian prior to the expiration of the Principal Suspension. In cases where the superintendent extends a Principal Suspension for

up to 180 school days, the parent/guardian may appeal the decision to the board of education. When there is an appeal, the superintendent shall promptly transmit to the board a full report in writing of the facts relating to the suspension, the action taken, and the reasons for the action. The appeal shall be heard by the board of education or a committee thereof, which shall have full authority to act in lieu of the board. Procedures for the hearing are set out in Board Policy BEF. In the event of a suspension of more than ten school days, where the parent/guardian gives written notice that he/she wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

**Expulsion.** In cases where the superintendent recommends that the student be removed from school for more than 180 school days or permanently expelled, the board of education shall, after notice to parents/ guardians, hold a hearing upon charges preferred and render its decision in writing. Procedures for the hearing are set out in board Policy BEF. The parent, custodian or the student, if at least eighteen years of age, may waive any right to a hearing before the board of education, provided such waiver is in writing and is made following a meeting with the superintendent or his/her designee wherein the proposed expulsion is discussed.

## **E. Standards of Conduct**

No code can be expected to list each and every offense that may result in disciplinary action; however, it is the purpose of this policy to list certain offenses which, if committed by a student, will result in the imposition of disciplinary action. Any conduct not included herein, any aggravated circumstance of any offense, or any action involving a combination of offenses may result in disciplinary consequences as determined by the principal, superintendent and/or Board of Education.

The standards of conduct are as follows:

### Standard 1. Causing Disruption of School or Any School Function

A student shall not by use of violence, force, noise, coercion, threat, passive resistance, any device or item which disrupts learning or is prejudicial to good order and discipline, or any other conduct, cause the substantial and material disruption or obstruction of any classroom work, school activity or school function.

### Standard 2. Damaging School Property or Property of Others

A student shall not cause or attempt to cause damage to the property of the district (including defacing the school or school property) or property of other persons. Repeated minor damage to school or personal property shall be the basis for a Superintendent Suspension or an expulsion from school. Damage to school property may result in the student or parent/guardian being required to pay for the damage.

### Standard 3. Stealing or Possessing School Property or Property of Others without Authorization

A student shall not steal or attempt to steal the property of the district or property of others. A student shall not have in his/her possession property belonging to the district, a school employee, or another student without the permission of the owner; nor shall a student have possession of stolen property. For the purpose of this policy, theft shall be defined as the taking of property belonging to someone else.

### Standard 4. Fighting, Assaulting, or Acts of School Violence or Violent Behavior

A student shall not assault anyone by physical contact, nor shall a student commit any act of

school violence or violent behavior to another person. Assault means attempting to cause injury to another person or intentionally placing a person in reasonable apprehension of imminent physical injury. Students are prohibited from fighting or entering a fight in progress and from failing to disperse when instructed to do so. The terms “act of school violence” or “violent behavior” shall mean the exertion of physical force by a student with the intent to do serious physical injury to another person.

**Standard 5. Harassing, Bullying, Threatening, Hazing or Intimidating Others**

A student shall not harass, bully, threaten, haze or intimidate others for any reason. Threatening others for the purpose of obtaining money or anything of value (i.e., extortion) is prohibited.

**Standard 6. Committing Sexual Harassment or Other Sexual Misconduct**

A student shall not harass other students or District employees through unwelcome or inappropriate verbal or physical conduct of a sexual nature.

A student shall not participate in inappropriate or unwelcome sexual conduct toward other students or district employees. A student shall not inappropriately touch another person’s sex organs or any other body parts in any way that constitutes sexual contact, whether or not such touching occurs through clothing. Nor shall a student expose his/her sex organs or body parts under circumstances in which such conduct is likely to be offensive or otherwise inappropriate.

**Standard 7. Possessing, Using, Distributing, Selling or Being under the Influence of Alcohol, Controlled Substances, or Imitation Controlled Substances or Tobacco Products**

A student shall not possess, use, transfer, distribute, or be under the influence of any alcoholic beverage, controlled substance or imitation controlled substance. The term “controlled substance” shall include any substance defined in the Narcotic Drug Act, Section 195.010RSMo, including any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, imitation controlled substance, chemical substance, or intoxicant of any kind. An “imitation controlled substance” shall mean a substance that is not a controlled substance as defined by Missouri law, but which by appearance (including color, shape, size and markings) or by representations made, would lead a reasonable person to believe that the substance is a controlled substance.

The possession, distribution, and sale of drug paraphernalia on school property or at school-sponsored activities are expressly prohibited. Paraphernalia may include any device used to inhale. Any attempt to possess, use, transfer, distribute, buy, or sell alcohol or a controlled substance or imitation controlled substance, whether completed or not will be considered a violation of this standard.

Possession, use or distribution of any tobacco products on school property or at school-sponsored activities are expressly prohibited. Electronic cigarettes, electronic smoking devices and smoking paraphernalia are also prohibited on school property or at school-sponsored activities.

Use of a drug authorized for a student with a medical prescription from a registered physician or over-the-counter medication shall not be considered a violation of this standard so long as the student complies with Policy JLCD, Administration of Medicine to Pupils.

**Standard 8. Being Insubordinate or Disrespectful to Teachers, Administrators and/or Staff**

A student shall not engage in disrespectful conduct toward teachers, administrators or staff, nor shall a student be insubordinate toward teachers, administrators or staff. Disrespectful conduct is different from insubordinate conduct. Disrespectful conduct is the use of vulgar, profane speech, offensive body language or actions intended to insult, degrade or offend. Insubordination is the

willful act of refusal or failure to comply with school or district guidelines or directions given by any teacher, teacher assistant, principal or other adult providing direction or instruction; refusal to respond may be in the form of a verbal response, absence of a response, an act in violation of a given directive or guideline or the absence of a required action.

**Standard 9. Possessing Firearms and Weapons**

A student shall not bring, possess or use a firearm or a weapon on school property, a school bus, or at any school activity. The term "firearm" includes, but is not limited to, such items as:

1. Any item which is a loaded or unloaded weapon, weapon frame, or weapon barrel and which is designed to, or may be readily converted to, expel a projectile by action of an explosive, or
2. Any item which will, or which may be readily converted to, expel a projectile by the action of an explosive or other propellant, and which has a barrel with a bore of at least one half inch in diameter, or
3. Any explosive, incendiary, or poison gas, such as: bombs; grenades; rockets with a propellant charge of greater than four ounces; and other similar devices as recognized under federal law, or
4. Any combination of parts either designed to or intended for use in converting any device into a device as described in the paragraphs above.

The term "weapon" shall mean a firearm as defined above, and the items listed, which are defined as weapons in section 571.010 RSMo: blackjack, concealable firearm, explosive weapon, firearm, firearm silencer, gas gun, knife, machine gun, knuckles, projectile weapon, rifle, shotgun, spring gun, or switchblade. Other weapons include mace, pepper spray, or items customarily used, or which can be used, to inflict injury upon another person or property.

In accordance with federal and state law, any student who violates this standard will be suspended from school for at least one calendar year or expelled and will be referred to the appropriate legal authorities. The suspension or expulsion may be modified on a case-by-case basis by the superintendent.

A toy gun, water gun, gun replica or weapon replica is not considered a firearm or weapon under this standard. However, possession of a gun replica or weapon replica is prohibited.

**Standard 10. Posing a Threat of Harm to Himself/Herself or Others at School, as Evidenced by Prior Conduct**

A student who, due to his/her prior conduct either in school or away from school, poses a threat of harm to himself/herself or to others at school may be immediately removed from school and/or subject to disciplinary action. Prior disciplinary actions shall not be used as the sole basis for removal, suspension or expulsion of a student.

**Standard 11. Possessing Bombs or Other Dangerous Substances**

A student shall not possess an explosive or incendiary device or any item or substance which could reasonably be considered dangerous to persons or property (such as bombs, gunpowder, ammunition, fireworks, fire bombs, smoke bombs, acid, or other dangerous chemicals) in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

**Standard 12. Making False Alarms or False Bomb Reports**

A student shall not make a false statement regarding the possession or location of an explosive device or incendiary materials, nor shall a student report a fire or activate the fire alarm system when no fire exists.

**Standard 13. Setting Fires**

A student shall not set a fire, attempt to set a fire, or participate in an act which results in a fire on school property, buses, or at a school-sponsored activity off school property.

**Standard 14. Misuse of Network Access, Internet Access, or Electronic Equipment**

Students are responsible for good behavior on school computer networks just as they are in a classroom or school hallway. A student shall not engage in inappropriate behavior on a school computer or the district computer network. The following acts represent the kinds of conduct considered inappropriate:

- a. Hacking and other unlawful activities
- b. Sending or displaying offensive messages or pictures
- c. Using obscene language
- d. Harassing, insulting, or attacking others
- e. Accessing material that advocates illegal acts or violence
- f. Damaging computers, computer systems, or computer networks
- g. Violating copyright laws
- h. Using another's password
- i. Trespassing in another's folders, work, or files
- j. Employing the network for commercial purposes
- k. Unauthorized disclosure, use, and dissemination of personally identifiable information
- l. Other inappropriate electronic-related actions as determined by the principal

In addition, students will be held accountable for compliance with the district Network Access Policy, IJNDBC and administrative guidelines.

**Standard 15. Having Been Charged, Convicted or Pled Guilty to Commission of a Felony in a Court of General Jurisdiction or Having Been Registered on the Missouri Sex Offender Registry**

A student who has been charged with, convicted or pled guilty in a court of general jurisdiction (i.e., an adult court, not a juvenile or family court) to commission of a felony criminal violation of state or federal law shall be in violation of this standard and may be suspended or expelled. A student who is on the Missouri Sex Offender Registry shall be in violation of this standard, shall be suspended or expelled, and is prohibited from being present on school property for any reason. If the charges are subsequently dismissed or the student is acquitted, the student may be readmitted or enrolled. The student shall not be suspended until (1) notice of the proposed suspension and a hearing is given to the parents or others having custodial care of the student, and (2) the Board of Education, following a hearing, finds that a prosecutor has filed a formal complaint in court against the student for commission of a felony, or that a grand jury has indicted the student for the commission of a felony.

**Standard 16. Being Charged, Convicted, or Pleading Guilty to Certain Serious Felonies**

A student who had been charged, convicted, or pled guilty in a court of general jurisdiction to one of the crimes enumerated below shall be suspended, or if the student is attempting to enroll, shall not be allowed to enroll. In addition, if a petition has been filed in family court alleging, or the family court has adjudicated, that the student has committed an act that if committed by an adult would be one of the crimes enumerated below, such student shall be suspended or denied enrollment. The enumerated crimes are as follows:

- a. First degree murder under Section 565.020, RSMo;
- b. Second degree murder under Section 565.021, RSMo;
- c. First degree assault under Section 565.050, RSMo;
- d. Forcible rape under Section 566.030, RSMo;

- e. Forcible sodomy under Section 566.060, RSMo;
- f. Robbery in the first degree under Section 569.020, RSMo;
- g. Distribution of drugs to a minor under Section 195.212, RSMo
- h. Arson in the first degree under Section 569.040, RSMo;
- i. Kidnapping when classified as a class A felony under Section 565.110, RSMo;
- j. Statutory rape under Section 566.032 RSMo;
- k. Statutory sodomy under Section 566.062 RSMo.

The student should not be suspended until school officials have verified that a prosecutor has filed formal charges in court against the student, or that a petition has been filed in family court against the student. If the charges are dismissed or if the student is acquitted or adjudicated not to have committed any of the above crimes, the student may be readmitted or enrolled. This provision shall not apply to a student with a disability, as identified under state eligibility criteria, who is convicted as a result of an action related to the student's disability.

#### Standard 17. Other Serious Misconduct

Students who engage in other misconduct not expressly covered by the foregoing standards but which is disruptive to school operations and detrimental to good order and discipline may be subject to disciplinary action up to and including suspension and/or expulsion.

#### **F. Prohibition against Being On or Within 1,000 feet of School Property during Suspension**

All students who are SUSPENDED OR EXPELLED are prohibited from being ON SCHOOL PROPERTY for any reason unless permission is granted by the superintendent, designee or building principal.

In addition, any student who is suspended for violating Standard 4 (Acts of School Violence), Standard 7 (Drug or illegal substance-related Activities), or for any of the following offenses committed on school property, any school bus, or while involved in school activities shall not be WITHIN 1,000 FEET OF ANY PUBLIC SCHOOL in the district during the suspension:

1. First degree murder under Section 565.020, RSMo;
2. Second degree murder under Section 565.021, RSMo;

6. Forcible sodomy under Section 566.060, RSMo;
7. Burglary in the first degree under Section 569.160, RSMo;

9. Robbery in the first degree under Section 569.020, RSMo;
10. Distribution of drugs under Section 195.211, RSMo;
11. Distribution of drugs to a minor under Section 195.212, RSMo;
12. Arson in the first degree under Section 569.040, RSMo;
13. Voluntary manslaughter under Section 565.023, RSMo;

24. Harassment under Section 566.090, RSMo;
25. Stalking under Section 565.225, RSMo;

The only EXCEPTIONS to this prohibition are as follows:

1. The student is under the direct supervision of the student's parent, legal guardian or custodian and has pre-approved permission granted by the suspending principal, the superintendent or designee.
2. The student is under the direct supervision of another adult designated by the student's parent, legal guardian or custodian. The designation must be made in advance and in writing to the principal of the school that suspended the student.
3. The student is in an alternative school that is located within 1,000 feet of a public school in the district.
4. The student resides within 1,000 feet of a public school in the district and is on the property of his or her residence.

If a student violates this prohibition, his or her suspension may be extended, or in the case of serious misconduct, the student may be expelled. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within 1,000 feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy.

#### **G. Notification To Family Court**

If District officials are aware that a student who has been suspended for more than ten days or expelled is under the jurisdiction of the family court, the superintendent is required to notify appropriate personnel at the family court of the long-term suspension or expulsion.

#### **H. Reenrolling Students Previously Suspended or Expelled**

The following provisions apply to students who have been suspended or expelled from either the Parkway School District or another school district and who wish to enroll in or be readmitted to the Parkway schools.

1. Remedial Conference. Prior to the readmission or enrollment of any student who has been suspended for ten school days or more or expelled in accordance with this policy, a conference shall be held to review the student's conduct that resulted in the suspension or expulsion and any remedial actions needed to prevent future occurrences of such conduct or related conduct. The conference shall include the appropriate school officials including any teacher directly involved with the conduct that resulted in the suspension or expulsion, the student, and the parent or guardian of the student or any agency having legal jurisdiction, care, custody or control of the student. District officials shall notify in writing the parents or guardians and all other parties of the time, place and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference.

2. Students Currently Suspended or Expelled From Another School District. If a student currently suspended or expelled from another in-state or out-of-state school district, including a private or parochial school, attempts to enroll, the Parkway School District should enroll the student if the student would otherwise be eligible to enroll in and attend Parkway schools. At the request of the parent or guardian, a conference with the superintendent or the superintendent's designee may be held to consider if the conduct of the student would have resulted in a suspension or expulsion from Parkway. Irrespective of whether the parent or guardian requests a conference, the superintendent or his/her designee should determine whether the conduct would have resulted in a suspension or expulsion from Parkway. If the superintendent or his/her designee determines that it would have, the District may make the prior suspension or expulsion effective in Parkway. If the superintendent or the superintendent's designee determines the conduct would not have resulted in suspension or expulsion from Parkway, the student will be allowed to immediately attend the appropriate Parkway school. In the case of a student with a disability, the suspension

or expulsion does not eliminate the obligation under federal law to provide the student with a free appropriate public education (FAPE).

**I. Student Discipline Records**

The Board of Education directs the superintendent or his/her designee to compile and maintain records of any serious violation of this Student Discipline Policy for each student enrolled in the District. Such records shall be made available to teachers and other school district employees with a need to know, and shall be provided in accordance with state law to any school district in which the student subsequently attempts to enroll within five business days of receiving the request. Personally identifiable student records will only be released or destroyed in accordance with state and federal law.

**J. Intervention Plan**

Each student must choose to avail himself/herself of the educational opportunity found in the Parkway Schools, maintain the intrinsic motivation and receive extrinsic motivation to achieve and behave appropriately.

The Parkway Board of Education further recognizes that, despite the good intentions and best efforts of staff, some students will choose to not participate in the educational process. Over time, such students strain the educational resources of their school and the District; restricting the educational growth opportunities of the majority. When a student illustrates the lack of commitment to modify his/her academic and/or behavior performance, an intervention plan will be developed within the current resources of the school district. Continued lack of commitment or lack of improvement could lead to loss of privileges or an assignment to another program or school. A secondary student classified at Intervention Level 0 who misbehaves and/or shows little or no academic improvement during the agreed upon monitoring period may be reassigned to an alternative educational setting. Students with disabilities should have access to and may be reassigned to alternative educational settings, provided their right to a free appropriate public education (FAPE) in the least restrictive environment and procedural safeguards are guaranteed.

Principals are authorized to develop academic/behavior intervention plans for students, when such plans are appropriate and consistent with administrative guidelines developed by the superintendent. The intent is to re-establish a cooperative effort between the district, the attendance area, the school, the home and the student. The guidelines will generate a process designed to determine expectations, interventions, and procedures to assist students and their families in the responsibilities required for attaining the academic/behavioral progress necessary to earn a high school diploma from the Parkway School District.

**K. Parent/Guardian and Student Notification**

Students and parent/guardians should know in advance the standards of conduct which students are expected to observe in the schools and the probable consequences of their failure to obey these standards. In furtherance of this objective, a copy of this policy and any local school discipline policy will be sent by mail to all parents/guardians at the beginning of each school year. Students and staff shall also receive a copy and meetings will be held to discuss these policies either prior to or shortly after the school year begins. At the time of registration, a new student and his/her parent/guardian shall be provided a copy of this policy and any local school discipline policy. A copy of this policy shall be available in the superintendent's office during normal business hours and can be accessed on Parkway's district website.
