

Parent Pick-Up

Instructions

Parents no longer need to park their cars and walk into the building to pick up their kids for dismissal. We ask you to stay in your car, follow the arrows, and line up on the playground. We will have several adults assisting outside to help you.

Students who are "pick up" will be dismissed to the lobby area where they will be escorted down our long hallway to the "pick up area". We will have many Wren adults supervising this loading area and will load multiple cars at a time. Thank you for your cooperation and patience as we work to make Wren Hollow safe.
