

2023-2024 TAB TOP PROGRAM AT HENRY

The **tab top program** invites people and groups of all ages to collect aluminum tabs from beverage cans to support The House That Love Built! Thanks to our friends at Didion Orf Recycling, the tabs are recycled and turned into a monetary donation to RMHC St. Louis. Annually, these little tabs help generate almost \$25,000 thanks to the generosity of the St. Louis Community! **Last year Henry collected over 80 pounds!!**

KEYS TO THE HEART

Don't have tabs but still want to help? Collect and donate your unused keys. Be sure that they are keys that are truly not needed!

LET'S SHARPEN THE SAW!

At Henry we will be collecting on the first school Tuesday of each month, starting in October. At the end of the year the tab tops will be turned in to the St. Louis Ronald McDonald House Charities and we will announce our grand total! For a visual reminder of their generosity, the class with the highest weight total of tab tops each month will receive a traveling trophy for their classroom.
