Greetings from MOSAICS,

I am requesting your help in gathering the following supplies for the upcoming school year. Please send the supplies with your child on the first day of classes. With the exception of binders and notebook paper, please **DO NOT** label supplies with your child's name. I find that it is easier to use items as shared community property, rather than keeping separate supplies for each student. If your child was in the MOSAICS program last year, it's okay to reuse the binder, leftover paper, and dividers.

Thank you!
Ms. Lisa Shipley
