POWERING SCHOOLS & COMMUNITIES

Event Highlights

CLAYMONT FOOD TRUCK EVENT

MOOD BOOST

MIDDLE SCHOOLS

Mood Boost educates our students how the food they eat can not only improve our physical health but also positively impact our mental well-being.

To promote this event we used our smoothie bikes. Students blended their own smoothies, dips, and sauces for purchase. It was a huge hit at every middle school!

DISCOVERY KITCHEN COOKOFF HIGH SCHOOLS

Culinary students from South, North, and Central High battled it out in a cooking competition making their best Asian inspired cuisine putting their recipe, safety, and teamwork skills to the test.

North High School brought home the win with a delicious broccoli, chicken and rice dish. We featured on the menu in May!

FOOD TRUCK THURSDAYS HIGH SCHOOLS

Every Thursday in April and May, the *Parkway Eats* food trucks have served a specialty lunch item outside of a high school cafeteria during all lunches. Students can use their lunch account to purchase a meal!

We showcased Jalapeno BBQ Cheeseburger and Buffalo Chicken Sandwiches with tater tots!

FREEZIE FRIDAY MIDDLE SCHOOLS

During the spring months, we had Freezie Fridays on our *Parkway Eats* food trucks making stops at all our middle schools serving snow cones and ice cream sandwiches for \$2 each.

Students have been loving a sweet treat in the middle of their school day. We have sold about 300 at every school!

EMPLOYEE WELLNESS EVENT

Kenny (*Parkway's Resident Dietitian*) and Chef Jeff (*Parkway's District Chef*) hosted a fun cooking demonstration for the Parkway faculty featuring a Parsnip and Potato Gratin with a Mornay Sauce and a Garlic Sauteed Swiss Chard.

SCHOOL LUNCH HERO DAY™

No need for a cape when you have an apron.

School Lunch Hero Day is a special day where we show appreciation toward our food service workers. Their passion, dedication, and heroic efforts never go unnoticed. We are so lucky to have each and every one of them!

Discovery Kitchen Classroom Demos

Summer Fun is our *Discovery Kitchen* theme for the months of May, June, and July. The Summer Fun recipes are designed to extend outside of the cafeteria and provide students with exciting recipes that they can make themselves and enjoy with friends and family at cookouts, picnics, and any other celebration.

We hosted Discovery Kitchen classroom demos at McKelvey Primary and the Early Childhood Centers! Students made homemade popsicles with yogurt and frozen fruit!

chartwells CHEERS

February Cheers Award Winners!

Tanya Bergmann
Vicki Hill

Henry Elementary

Responsibility

Vicki and Tanya have been working so hard to bring fresh, cooked in-house food to their students! They're the only elementary school in the entire district who has been able to accomplish this feat. Henry Elementary is lucky to have such a dedicate team feeding them daily and Chartwells and Parkway are equally lucky to have such great employees. Thank you for keeping food quality and student happiness as your top priorities!

March Cheers Award Winner!

Michele Bailey

Bellerive Elementary

Resilience

Resilience - Everything is hard before it gets easy, so we stay on the course.

Michele is always sending and sharing information that helps make the job as a lead easier!

April Cheers Award Winner!

Rachel Wohler

South Middle School

Fun

Fun - Our mission is serious, but fun is part of everything we do.

The students **LOVE** Rachel (so do we). She makes lunch fun. Many get whatever is in the line she is serving just to talk to her.

Free and Reduced Program

Is your child eligible for the free & reduced meal program?

If you're not sure, call our office at **314-415-8245**. All students on the free & reduced meal program are encouraged to participate in breakfast and lunch service!

Donations

If you're interested in donating, please reach out to
ltindle1@parkwayschools.net.

Food Trucks & Catering

Hosting any school sponsored events?

We do caterings! Our food trucks are also available for events!
