

Parkway Public Monitoring Links

The following is a list of all Parkway School District monitored solar sites. Publicly accessible data for each system can be found by going to www.sunnyportal.com and clicking on the **Publicly available PV systems** link. In the **PV System Name:** box, enter the **PV System Name** listed below, and then click **Search**. Click on the **PV System Name** that matches your search.

You may also choose to click on the **PV System Name** within this document to follow the hyperlink to the plant data.

AGGREGATE PAGES *(All aggregate pages are located in the Parkway Administration plant)*
