

Wireless Directions for Personal Devices For Students & Staff – 2022-23

You will need to use your **Network User ID & Password** (Not your Google ID & password unless it is the same) to log into any personal device on the network.

- **Network User ID For Everyone** - This is your email address without the @parkwayschools.net.
- **Password For Students** - This is your Student ID Number.
- **Password For Staff** - This is the Password to log into your laptop, IC or Workforce.

PHONES
