

ESL Watching/Listening Resources

Multicultural Educational Services Listening quizzes for low-level ESL

ESL Pod More podcasts for ESL students

Marzio School Videos with exercises for beginners and lower intermediate levels

NPR Listening for upper intermediate and advanced levels

Annenberg Media Videos for everyone

CNN Higher-level listening for news stories

Pronunciation Work Page Listen to native English speakers with different dialects

Everyday Life Excellent listening activities on many topics from everyday life -- most suitable for upper beginners and intermediate students. It's interactive; students have to click on certain things to make the transaction happen, and if they get it wrong, the program redirects them. Requires joining, but it's free.

Adult Learning Activities Videos and readings on many topics of interest to adults. There are recordings of each text so students can listen as they read.

ESL Listening Lab Randall's Cyber Listening Lab ... has a large number of short conversations for listening.
