## CULINARY AND HOSPITALITY PATHWAY

097010

Culinary ProStart 1

Infinite Campus Name: CULINARY PRO START 1

Grade(s): 09 - 12

Prerequisite: None

1/2 CTE credit each semester

ProStart provides an opportunity for the students with little or no prior foods preparation experience, but with an interest in food, to learn about culinary skills. This basic course introduces students into the world of professional cooking. Training in safety and sanitation (ServSafe), kitchen essentials including foodservice equipment and culinary techniques, the importance of communication, potatoes and grains are taught in this beginning course. Lab experiences will be provided throughout the semester in order to reinforce these skills. The ProStart® Program is a two-year industry-based program that prepares students for careers in the restaurant and foodservice industry.

097020

Culinary ProStart 2

Infinite Campus Name: CULINARY PRO START 2

Grade(s): 10 - 12

Prerequisite: ProStart 1

1/2 CTE credit each semester

ProStart 2 is a course that will broaden or expand students' knowledge and skills acquired in ProStart 1. Topics include serving guest, stocks, sauces, soups, fruits, vegetables, management essentials and building a successful career. The ProStart Program is a two-year industry-based program that prepares students for careers in the restaurant and foodservice industry.

097051/097052

Culinary Pro Start 3

Infinite Campus Name: CULINARY PRO START 3

Grade(s): 10 - 12

Prerequisite: Culinary Pro Start 2

1/2 CTE credit each semester

ProStart 3 is the final course of this three-course program. In this year-long course, students will learn additional skills in the preparation of potatoes and grains, desserts, and baked goods. The history of food service, the lodging industry, marketing and creating menus will be covered. In this phase, students will also learn food preparation in meats, poultry and seafood, stocks, soups and sauces. For the serious culinary student interested in a career in the restaurant industry, purchasing and inventory control and accounting practices will be introduced. Students who pass the National Restaurant Solutions' Year 1 and 2

exams, and complete 400 hours of mentored work experience can earn the ProStart National Certificate of Achievement. Many college and university restaurant, foodservice and hospitality programs offer benefits to ProStart graduates.

097110

International Cuisine

Infinite Campus Name: INTNL CUISN

Grade(s): 11 - 12

Prerequisite: Junior or Senior Standing

1/2 CTE credit each semester

This course is designed to give students a better understanding and appreciation of countries and cultures of the world through the study of traditional foods and meal habits of each. Each country's history, geography, climate, religion and ethnic make-up will be studied. Food preparation skills and techniques unique to each country will be studied through kitchen laboratory experiences to help students gain an appreciation of cultural difference. Students interested in the study of cultures will benefit from this course and no prior food preparation experience is required to be successful.

095950

Let's Cook Together

Infinite Campus Name: LET'S COOK TOGETHER

Grade(s): 09 - 12

Prerequisite: Counselor Approval

1/2 CTE credit each semester

This course provides modified instruction for students with unique abilities in the area of culinary arts. Students will develop personal and social responsibility, as well as knowledge and skills in the areas of nutrition, wellness, food safety, dining etiquette and culinary basics. Each student will be working together with general education mentors in grades 10-12, to increase competency and enjoyment in cooking and nutrition.

097950

Culinary Mentor

Infinite Campus Name: CULINARY MENTOR

Grade(s): 10 - 12

Prerequisite: ProStart 1 or International Cuisine

1/2 Electives credit each semester

Culinary Mentor will give students the opportunity to improve their skills in mentoring others as they serve as assistants for students with physical and developmental disabilities who are enrolled in Culinary Arts. Students will take on the role of "buddies" to provide leadership in a variety of culinary based activities and lab setting.

# FAMILY AND CONSUMER SCIENCES

## CHILD DEVELOPMENT AND EDUCATION PATHWAY

097420

Child Development 1

Infinite Campus Name: CHILD DEV 1

Grade(s): 09 - 12

Prerequisite: None

1/2 CTE credit each semester

This course prepares the student to work with children. The first units of study include examining families and parenting styles, prenatal development, labor, birth, and delivery. Students will also learn about a child's growth and development during the newborn, infancy, toddler and preschool stages. Students will be given the opportunity to observe and interact with preschoolers through limited laboratory experiences. The unit of prenatal development includes conception, abstinence and contraception. Careers in the child development field will be discussed throughout the semester. Three hours of dual college credit at Webster University (for juniors and seniors only) and/or 3 articulated college credits for any student through STLCC are available to Child Development 1 & 2 students who maintains an A or B average in both courses

097430

Child Development 2

Infinite Campus Name: CHILD DEV 2

Grade(s): 09 - 12

Prerequisite: Child Development 1

1/2 CTE credit each semester

This second level course provides appreciation of advanced child development principles. Included in this course is the observation of children as well as the physical, mental, emotional, and social growth and development of early childhood through adolescence. Students will be able to plan developmentally appropriate activities, observe, and interact with the early childhood learning environments. The many career opportunities related to children are also studied. Three hours of dual college credit at Webster University (for juniors and seniors only) and/or 3 articulated college credits for any student through STLCC are available to Child Development 1 & 2 students who maintains an A or B average in both courses.

097560

Introduction to Teaching

Infinite Campus Name: INTRO TO TEACHING

Grade(s): 10 - 12

Prerequisite: None

1/2 CTE credit each semester

In this course, you will receive a general introduction to the area of education and teaching. Course topics

include: learning styles, teaching methodologies, cultural responsiveness and a focus on data-driven decision making in the schooling system. This course focuses on the general theory and practice of learning and teaching; the basic principles of educational psychology; the art of teaching; the planning and administration of educational activities; school safety and health issues; and the social foundations of education. This course is a pre-requisite for the Student Teaching course where students will be observing, interacting and teaching in the classroom environment over a twelve week time period. Dual credit is available for this course through the University of Missouri-St. Louis, Maryville, and Lindenwood.

097570

Student Teaching

Infinite Campus Name: STUDENT TEACHING

Grade(s): 10 - 12

Prerequisite: Introduction to Teaching

1/2 CTE credit each semester

Student Teaching is an advanced, curriculum-based, high school experience that allows the students to apply the skills learned in the previous prerequisite course, Introduction to Teaching. Participants can be placed in preschool, elementary, middle or high school classrooms, as well as in adult education training program such as those sponsored by business and community organizations. Students are required to provide their own transportation unless the cooperating school or practicum experience is within walking distance. Dual credit is available for this course through the University of Missouri-St. Louis, Maryville, and Lindenwood.
