

SUMMER LEARNING LOSS!™

During the summer months children can lose the math and reading progress they made during the school year. This is what is called the Summer Slide. We want our students to keep all of their learning and continue to build and grow their skills and knowledge over the summer months. Below are some links to websites and activities that can help avoid the Summer Slide.

- [Bellerive Summer Reading Website](#)
- [Bellerive Summer Reading Events](#)
- [Barnes and Noble Summer Reading](#)
- [Scholastic Summer Reading](#)

- [Missouri Math Challenge](#)
- [Math Games](#)
- [Greg Tang Math Games](#)
- [Prodigy](#)
